Von Shelly Fredman : No Such Thing as a Secret: A Brandy Alexander Mystery (No Such Thing As...A Brandy Alexander Mystery Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised No Such Thing as a Secret: A Brandy Alexander Mystery (No Such Thing As...A Brandy Alexander Mystery Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Good start to a seriesVon Meks Librarian"No Such Thing as a Secret" is the first book in the "No Such Thing As..." series by Shelly Fredman, featuring Brandy Alexander - not the cocktail, but a young woman working as a "puff piece" reporter for a cable news network who starts to privately investigate the murder of a young man after one of her best friend disappears shortly after he told Brandy he may inadvertently possess a clue to the case.Brandy grew up in Philadelphia, but left for Los Angeles after Bobby, the love of her life, ended their 10-year relationship on grounds she never really understood. In L.A., she builds a whole new life for herself, including the job for the news network.Four years later, she is back in Philadelphia for a short break and the wedding of one of her friends - and finds herself in the middle of a murder investigation shortly after her arrival.The inevitable encounter with Bobby happens under the worst imaginable circumstances: Not only is he a police officer, warning her off the private investigation she has started. He is also married and has a little daughter. Regardless, there is still attraction and spark enough between the two to keep Brandy on her toes whenever Bobby is near.But there is also the mysterious Nick, who helps with Brandy's investigation and leaves her confused as to what his - and her own - intentions actually are.Last but not least, there is a murder to solve, and the police seem to be getting nowhere.You already know that this is a series, so it is clear that Brandy will solve the mystery, and the author leaves enough loose ends to make the reader want to find out what will happen with some of the characters in the next book.I must admit I did not (and still do not) care all that much for Brandy as a person, but the mystery was something of a page-turner in parts. In fact, one evening after work, I was reading while waiting for my train and so absorbed in the book that I did not look up when a train arrived; I simply got on. Two stops later I realised I was on the wrong train! I made haste to get off, get the next one back to Main Station and then finally catch the right train home.While I did notice quite a few typesetting errors that could have been avoided with careful editing or proof-reading, they were not so many as to distract too much from the story. I downloaded the book for free from 's kindle shop a couple of years ago, so I should not complain about typos.0 von 0 Kunden fanden die folgende Rezension hilfreich. Must readVon HopeKIch bin ber eine Empfehlung auf Shelly Fredmans Bcher gestoen und war schtig danach von Seite eins weg.Ich werde hier nicht den Inhalt des Buches wiederholen ... eine Zusammenfassung ist ja zu lesen und wie es ausgeht will ich nicht verraten, aber eins kann ich auf jeden Fall verraten - was ich gedacht habe, nachdem ich die letzte Zeile gelesen hatte: MEEEEEEHR!0 von 0 Kunden fanden die folgende Rezension hilfreich. NiceVon SokrataIt is a nice book that convinced me to try another one. Reminds me of Stephanie Plum. And her I am a very big fan of!

KurzbeschreibungMeet Brandy Alexander, a young woman from South Philadelphia with a big mouth, an even bigger heart and a little problem with impulse control. Its not her fault trouble seems to follow her around. Okay, it is her fault, but why quibble over details?When Brandy (a puff piece reporter for a local Los Angeles TV news station) returns to her hometown after a four year absence, she is thrilled to be reunited with friends and family. But her joy is short-lived when her best friend, John, becomes the victim of a tragic accident. Brandy is alone in thinking that the death is no accident and as she sets out to prove her theory, she stumbles upon a political scandal of major proportions. Things begin to heat up, when it appears that her former boyfriend, police Detective Robert Anthony DiCarlo, is involved in sabotaging the investigation. The one thing Brandy knows for sure is that people keep turning up dead and if she doesnt get some answers fast, she could end up on the short list.As Brandy searches out the truth, she gains some unexpected allies including sexy, dangerous, street-savvy Nicholas Santiago and the now-married Bobby, who still holds a torch for his former girlfriend.With humor, guts and determination, Brandy tackles each challenge be it dodging a bullet or resisting that box of Tastykakes in the cupboard. Murder, mayhem and romance abound in Shelly Fredmans novel, proving there really is No Such Thing as a Secret.KurzbeschreibungMeet Brandy Alexander, a young woman from South Philadelphia with a big mouth, an even bigger heart and a little problem with impulse control. Murder, mayhem and romance abound in Shelly Fredmans novel, proving there really is No Such Thing as a Secret.ber den Autor und weitere MitwirkendeShelly Fredman is a native Philadelphian who long dreamed to be Mrs. Illya Kuryakin from The Man From U.N.C.L.E. Having failed to reach that lofty goal, she switched her

affections to fictional characters and situations that she could control with the stroke of her keyboard. This quest for power resulted in *The No Such Thing As...Brandy Mysteries*. Shelly and Brandy share feeling of pride in their hometown, and even though Shelly has moved to the west coast, she has always been, and forever will be, a Philly girl at heart.
