Von Britt Ringel : No Way to Start a War (TCOTU, Book 2) (This Corner of the Universe) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised No Way to Start a War

(TCOTU, Book 2) (This Corner of the Universe) (English Edition):

KurzbeschreibungGarrett Heskans isnt sure which is worse going to war against the Hollarans while commanding an untested starship, or reporting to an arrogant bureaucrat like Lt. Commander Durmont on the front lines when lives are at stake.Lieutenant Heskans knows his escort destroyer, BRS Kite, must protect the fleet carriers assigned to Durmonts squadron, but Kite is fresh from the yards and its revolutionary weapons system wont stay online. Add to this Durmonts inability to think beyond standard naval theory, or his own career, in the face of the Brevic Navys first foray into stellar aviation, and Heskans work is cut out for him. What starts out as a simple Brevic attack into the Hollaran Commonwealth soon becomes a fight for survival in a series of battles that could alter the balance of power in the known universe. Conflicts abound in No Way to Start a War, between fleets, leaders, and cultures. Authors Note: This is Book 2 in the This Corner of the Universe series, continuing the story of the original crew of BRS Anelace.
