Von Julie Kenner writing as J. Kenner : Nobody Does It Better (Mills Boon Spice) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nobody Does It Better (Mills Boon Spice):

I always find them cute and funny and sexy. I have a few favorite Temptation authors, ones who really understand dishing up a romantic fantasy, steamy style. Julie Kenner does this well! Devin is yummy, to-die-for and clever. He knows how to keep Paris (the heroine) and the

readers teased and breathless. I found myself turning the pages just to see what this outrageous duo would do next. Kenner has such a wry, engaging way with words. I laughed out loud quite a few times. I'm sure hoping for more from Julie Kenner. Really, no one does Temptation better!

Von Ein KundeI wanted to really like this book, it was just ok. The hero was interesting, the heroine was not. It read like an expanded version of the pilot for the tv series Remington Steele from 1982, only this was without Pierce Brosnan. The whole book rests on the premise that it is important who the author of the fictional book series is, but I don't know who half the authors I read are, and it doesn't really matter. So much ado about nothing.

Von Ein KundeJulie Kenner's debut novel is a fast-paced romp that will keep you laughing and sighing, all at the same time. Devin is a wonderful hero, every woman's dream! Paris is spirited, determined to live her dream, but wanting her father's approval just as much. Seeing the bumpy journey these two take before they realize they are made for each other is a delight. Can't wait to see more from Ms. Kenner!

KurzbeschreibungFor author Paris Sommers, truth has become stranger than fiction. She's fallen in love with a man who exists only in her mind a man she "invented" as a pseudonym for the fast-paced, testosterone-laden spy novels she writes. Only, now the man of her dreams is standing beside her, touching her, loving her. But who is he? Bar owner Devin O'Malley wanted Paris the first moment he saw her. And he was willing to do just about anything to get her including "becoming" novelist Montgomery Alexander. Only, his deception worked too well. Before long, he'd stolen his way into Paris's bed and into her heart. But was she in love with Devin or the fantasy he portrayed?
