would make up for the intense stuff. This last chapter lifted a weight of emotions I didn't know was on me. That was really funny and freeing! It might sound weird, but this was a beautiful read. Nothing that Savi and Damian had experienced in their past is beautiful. But the way she brought along their story, their growing, the ups and downs, was beautifully written. As a reader you are so drawn into the characters and their stories, you feel what they feel. Every step they do, you feel you are right with them. After every intense moment comes a part where you need to smile or laugh and it's freeing. All the scenes Damian planned for Savi to let go, to feel, were so awesome, I can't even put it in words. But...but...I wanted to kill her for all the little painful snippets about Marc and Angel, and hug her for those sweet moments between Karla and Adam. I love the saga and don't want it ever to end. This is so much more than just BDSM, but it also shows how good and also helpful it can be. Thanks Kallypso for that. Her experts and sources about all the little details and her team around her need to get credit as well for helping her. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung Why would someone choose the BDSM lifestyle of consensual bondage, discipline, dominance, submission, sado-masochism as a means to heal from a traumatic and abusive past? **NOBODY'S PERFECT** is the continuing story of Savannah Gentry (now Savi Baker) and Damian Orlando from **MASTERS AT ARMS NOBODY'S ANGEL** (Rescue Me Saga #1) and **NOBODY'S HERO** (#2). Savannah/Savi escaped eleven years of abuse at the hands of her father and finally made a safe life for herself and her daughter. But when her father once again threatens her peace of mind and her daughter's safety Savi runs to Damian Orlando for protection. Eight years earlier as Savannah, she shared one perfect day with Damian that changed both their young lives and resulted in a secret she no longer can hide. But being with Damian reawakens repressed memories and feelings she wants to keep buried. After witnessing a scene with Damian on Savi's first night at his private club, however, she begins to wonder if he could help her regain control of her life and reclaim her sexuality and identity. Damian, a wounded warrior, has had his own dragons to fight in life, but has never forgotten Savannah. He will lay down his life to protect her and her daughter, but doesn't believe he can offer more than that. She deserves a whole man, something he can never be after a firefight in Iraq. Damian has turned to SM to regain control of his life and emotions and fulfills the role of Service Top to bottoms at the club. However, he could never deliver those services to Savi, who needs someone gentle and loving, not the man he has become. Will two wounded survivors find love and healing in each other's arms? **ABOUT THE RESCUE ME SAGA:** The books in the ongoing Rescue Me Saga are not stand-alone stories and should be read in order. Characters will recur in later books to deal with further issues in their lives as the saga continues and each book builds upon all previous ones. Sometimes main characters even need another book to help resolve major issues affecting their relationships. **BONUS MATERIAL** in this version: Kallypso Masters has added the **PLAYLIST** of music that inspired her as she wrote about the first three couples mentioned in this combined volume, as well as a **GLOSSARY OF TERMS** and a **CAST OF CHARACTERS** in these books in the saga. **CONTENT WARNING:** Intended for mature adult readers not offended by profanity and graphic (but never gratuitous!) sex scenes. Due to the emotional way in which the author presents the subject matter (past and present), the books might cause triggers while reading. Please read the Author's Notes at the beginning. **Kurzbeschreibung** Why would someone choose the BDSM lifestyle of consensual bondage, discipline, dominance, submission, sado-masochism as a means to heal from a traumatic and abusive past? **NOBODY'S PERFECT** is the continuing story of Savannah Gentry (now Savi Baker) and Damian Orlando from **MASTERS AT ARMS NOBODY'S ANGEL** (Rescue Me Saga #1) and **NOBODY'S HERO** (#2). USA Today bestseller author Kallypso Masters writes emotional, realistic Romance novels with an emphasis on healing using sometimes unconventional methods. Her alpha males are dominant and attracted to strong women who can bring them to their knees. Kally also has brought many readers to their knees having them experience the stories along with her characters in the Rescue Me Saga. Kally knows that Happily Ever After takes maintenance, so her couples don't solve all their problems and disappear at the end of their novel, but will continue to work on real problems in their relationships in later books in the Saga. Kally has been writing full-time since May 2011. She lives in rural Kentucky and has been married almost 32 years to the man who provided her own Happily Ever After. They have two adult children, one adorable grandson, and a rescued dog and cat. Kally enjoys meeting readers.
