@BJsBB"Secrets. Everybody's got'em." -Dare DuBray
There was this huge secrecy involved in the release of this book and I'm not sure how much I want/can tell you about the story But I'm so excited about the book - I have to tell you something at least Calla is a 18 year old (soon to be California - College) girl, who lives in a funeral home on top of a mountain in Astoria. Which sounds creepier than it is - her Dad is the mortician ... she's not just randomly living in a funeral home She has a twin brother: Finn. He's the most important person in her life. But Finn is different. He's sick. Mentally. Ever since he was a little boy he's been hearing violent voices in his head. And Calla feels she has to protect him - mostly from himself - because what she recently saw in his journal scared the hell out of her. Calla quiets the voices. She's the only thing that does.

KurzbeschreibungDear Reader, I once considered not writing this story. It was too dark, too twisted, too much, too, too, too. Obviously, I changed my mind. But I re-wrote it in four different ways first, trying to make it different, more easily palatable, softer. It didnt work. So I went back to my original idea, the idea that I loved. The idea that I dreamed about and lived and breathed until it was done the way I wanted it, the way it has to be. I know youre capable of reading it. I know youre capable of putting yourselves back together again when its all over. I have faith in you. Is this story dark? Yes. It is twisted? At times. Will it slap you in the face? Absolutely. Will it have you flipping the pages, trying to figure it out, trying to get to the climax, trying to breathe? God, I hope so. I wrote this story the way it needed to be written. I couldnt sugarcoat it. I couldnt water it down. It is this way because the story demands it. Im not sorry. ***SAVE ME AND I'LL SAVE YOU....My name is Calla Price, and Im one half of a whole. My other half-- my twin brother, my Finn-- is crazy. I love him. More than life, more than anything. And even though Im terrified hell suck me down with him, no one can save him but me.Im doing all I can to stay afloat in a sea of insanity, but Im drowning more and more each day. So I reach out for a lifeline. Dare DuBray. Hes my savior and my anti-Christ. His arms are where I feel safe, where Im afraid, where I belong, where Im lost. He will heal me, break me, love me and hate me. He has the power to destroy me. Maybe thats ok. Because I cant seem to save Finn and love Dare without everyone getting hurt. Why? Because of a secret. A secret Im so busy trying to figure out, that I never see it coming. You wont either. *****KurzbeschreibungDear Reader, I once considered not writing this story.
