I loved this story; as it was sweet with just right touch of drama to hold your attention, a most gratifying read. The interactions between the characters is believable as they spring to life with fabulous dialogue, humor and fantastic plot. Lee certainly is no gentleman, but his devotion to Ruthie shines like a beacon. Steamy romance sets the pages ablaze. If you treasure shifter romance this is a wonderful book for your library. {I was gifted this book and this is my completely honest review}. In the world of shifter romance the possibilities are endless and always fascinating. Without reservation I recommend this book.
