Von Micwell let me tell you that this book has a nice story, but is not certainly deep.It was kind of predictable and because it's not very long, did not have so much inside inthe background of the characters. It's a read

which you can simply acknowledge and have read, but not really feel and sympathize with it. For a light summer day and a fast dip into an sexy love story...go for it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Habe nichts dafür bezahlt, deshalb ok. Keine besondere Story, aber unterhaltsam. Kann ich trotzdem empfehlen.
