great Carolyn Jewel romance Von Muschlchen I just like her writing very much and have read ALL her books. The story is great though once or twice a bit lengthy (like the treasure hunt). It is very sexy, has great steamy scenes that are never boring or far-fetched. I love the characters and their background, also the second characters (who did or will get their own stories) and just enjoyed reading the book very much. I did even like the bit of mystery though I am not really in to it (the Gypsy medaillon promises to find THE one person to love for the wearer). The second book in the series "Not Wicked enough" is a MUST READ if you like that one!

Kurzbeschreibung Could the wrong man be the right one after all? Lady Eugenia Byrant doesnt forget insults easily. Even years after the Marquess of Fenris publicly insulted her, she has no desire to let bygones be bygones. As a widow, she knows the gift of a magical medallion will never find her a second chance at love. When happiness appears to work its way back into her life, its Fenris who threatens her newfound peace. The Marquess of Fenris loved Eugenia, even when she married his best friend. His feelings never changed, but now he has to convince the lady that he has. The handsome and wealthy heir to a dukedom puts on the charm, but will it be enough for her to forget his previous transgressions? Not Proper Enough is a Regency historical romance novel for adults and about adults who actually act like adults. If you like enthralling characters, heated chemistry, and smoldering romance, then you'll love Carolyn Jewels thoughtful and witty tale. Buy Not Proper Enough to read the character-driven romance today! s I love how blunt this romance is too. Its dirty and fierce. Eugenia almost revels in the fact that she hates him, yet cant seem to shake him off. They take pleasure from each other, sometimes rough, sometimes drawing it out as long as they can. The romance in this book is so intense that you cant help but feel the chemistry between these two. I feel like this is where Carolyn Jewel shines. Not just her amazing sexual relationship she builds for her characters, but their overall interactions. Their banter is so smart and fast. Humor, put downs, sarcasm, it all comes through so well. These are two mature people who have been through a lot in their life and watching them come to terms with each other is really a treat. I found this book to be a clever, very sensual romance. Well done. Mandi - Smexy Books Romance s With her engaging, complex characters, knowledge of the era and a sharp ear for dialogue, Jewel creates a nicely written, highly sensual and emotional love story. RT Magazine As always, Carolyn Jewel's writing is polished and her characterizations delightful. With a story that is by turns very hot and very emotional, I found myself relishing the experience of reading this book. Lynne Spencer, All About Romance This was another delicious, detailed, smoldering romance from Carolyn Jewel. Rogues Under the Covers I highly recommend all historical romance lovers go out and pick up this book. You will not be disappointed. Fiction Vixen OH MY GOODNESS! What an awesome book! I loved every minute of it. Talk about a page turner that I couldn't put down. First off, the story line was moving and shocking at the same time. Not Proper Enough kept me wanting more. To be honest it would be one of those books to re-read again. That right there says a lot. So, I hope that you all get a chance to check this book out when it comes out. Plus, you all want to know if Fenris is able to change Eugenias opinion of him. The Cutest Blog on the Block Pressestimmen Praise for Not Wicked Enough Brilliant, poignant and just plain fun.
