I can't put into words how much I love this bookVon From Top to Bottom ReviewsSo far I've enjoyed all books by Jay Northcote and I think this one might even be my new favorite.It's such a sweet and light story with great characters and no major drama or angst.I found myself smiling through most of the book because Noah and Sol are such adorable, sweet and lovely characters. I could totally relate to Noah and his insecurities of feeling like he's nothing

special. And loved the way Sol showed him that he was something special to him. I have to mention, that I really liked the idea of putting an advert in the paper as a way of letting someone know you're interested. And really enjoyed to see the relationship grow between Noah and Sol. This book made me smile, it made me cry and laugh, and it definitely made me swoon! I'm sure I'll re-read it again and again. So, I absolutely recommend this book to everyone who's looking for something light and fluffy.

Kurzbeschreibung Noah thinks he's nothing special. Average height, a bit on the skinny side, and cute but rather geeky, he's relentlessly ordinary. He certainly doesn't expect to be noticed by Sol, the gorgeous dark-haired stranger Noah sees on his commute home most days. But when Noah's friend, Dom, persuades Noah to take a huge risk in a bid to get Sol's attention, things turn out better than Noah dared to hope. Noah and Sol start dating, and much to Noah's surprise, his feelings seem to be reciprocated. But Noah's insecurities make him doubt Sol. He doesn't believe he's interesting enough or sexy enough to hold Sol's attention, and as Sol tries to get closer, Noah's instinct is to pull away to protect himself. If their relationship is going to survive, Sol needs to convince Noah that he sees Noah very differently than Noah sees himself. Because to Sol, Noah is something very special indeed.
