FantasticVon Philomena(Cheekypee)This is the second book in the series. I'm thinking I loved this even more than the first if that's possible.From page one I was glued to this book. This author was fantastic in keeping my attention right through the book. The first book is mainly about Emma. This one is about her sister Layla. Now enter Ben... Gee he

is totally drooling material. This books pretty steamy which I loved. It also flips you over to the other side when I had tears in my eyes wondering what's happening next.I'm totally looking forward to the third last part of this series where we can read more about both girls.Fantastic writing Brenda. Totally loved it.Received in return for an honest review.0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolles Buch!Von CustomerDies ist das zweite Buch in der Now Serie von Brenda Rothert und erzht die Geschichte von Layla Carson, die man bereits aus Now and Then (Band 1) kennt, in dem die Geschichte von Laylas Schwester Emma erzht wird. Man kann das Buch lesen ohne den Vorgnger zu kennen, ich wrde aber jedem empfehlen die Lesereihenfolge einzuhalten, denn dann wird erst richtig deutlich, was fr eine groe persnliche Entwicklung Layla macht.Im ersten Band offenbart Layla einige Charakterschwchen und die Beziehung zu ihrer Schwester wird auf eine harte Probe gestellt. Aber Layla hat ihre Fehler erkannt und arbeitet hart daran sich zu bessern, als sie Ben begegnet. Zwischen den beiden sprhen sofort die Funken und - wie die Inhaltsbeschreibung schon "vorwarnt" - es geht ganz schn hei her zwischen Layla und Ben.Mir hat das Buch sehr gut gefallen und ich kann es guten Gewissens weiterempfehlen. Alle, die wie ich nach Now and Again immer noch nicht genug von den Carson Schwestern haben, knnen sich auf ein Wiedersehen mit den beiden in Now and Forever (Band 3) freuen.

KurzbeschreibungOnce again, 26-year-old Layla Carson has the attention of a man eager to satisfy her. Ben Montrose, the hot, confident cop who gets off on frustrating her, is eager to show her just how arresting he can be. But as a reforming sexaholic, Laylas sworn off casual hookups, and doesnt miss the days of her early 20s much. Bens caught off-guard when the sexy, outspoken attorney turns him on and then turns him down. But the confident former Marine knows he can handle the simple seduction of a beautiful woman. He finds Laylas weak spot competition, which he happens to share and challenges her to a game that could make them, or destroy them.As they compete to crown the master of seduction, Ben and Layla discover theres more to their game than power and foreplay. But as the stakes go up, they realize the game has changed, and they both stand to lose more than they bargained for.** Warning** This book contains adult language and situations.KurzbeschreibungOnce again, 26-year-old Layla Carson has the attention of a man eager to satisfy her.
