Jessica is weak and immature, clingy and dependent. Meanwhile her husband is a cheating slimeball. It seemed as though the only things keeping these two together were guilt and obligation. After some very difficult times, though, they both grow up. I was happy with the ending, too. 0 von 0 Kunden fanden die folgende Rezension hilfreich. "Now and forever" Danielle Steel Von Marlise Sieber D.S. versteht es ausgezeichnet, die Spannung hochzuhalten. Auch dieses Buch ist ein "page turner". Die manchmal etwas vulgre Ausdrucksweise, besonders im ersten Buchteil, wre unntig. Das Buch in englischer Sprache eignet sich hervorragend "to brush up your English". 5 von 7 Kunden fanden die folgende Rezension hilfreich. A book about a married couple dealt with unexpected problem. Von Ein Kunde This book is about a married couple dealt with an unexpected problem. They've been married seven years and it seem like nothing can damage their love. Until the husband, Ian got arrested and accused for rape. He wouldn't call it rape but headmitted that he did slept with the woman when his wife, Jessica had left town on business. Jessica supported Ian all the way, financially and emotionally. But at last, Ian had lost and had been sent to prison for 2 years. First Jessica thought she could handle it but she doesn't know that she would feel so alone without Ian. One day when Jessica went to visit Ian, they got into a huge fight and Jessica decided to file for divorce. She thought she did the right thing until one night she realized that she misses Ian alot and can't live without him. They made up and when Ian came out of prison, they start their new, happy life together. I think this book is a really good book and I would recommend this book to anyone.

Kurzbeschreibung Although Jessica and Ian Clarke have been married seven years, they insist the thrill and excitement haven't dimmed. At Jessica's urging, Ian has quitted his advertising job to become a struggling writer, and she supports him with her successful San Francisco boutique. Ian's financial dependence on Jessica upsets him more than he admits, and in a moment of bored malaise, Ian's first casual indiscretion will create a nightmare that threatens everything Jessica and Ian have carefully built. What he does changes their lives, and them, perhaps forever, as they struggle to pay the price of his foolhardy affair. From the Paperback edition.
