KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Very well done.Von Detra FitchYears ago Marissa Gray and Eric Montgomery were engaged to wed. But when Gretchen, Eric's younger sister, died, so too did their marriage plans. Though everyone in the group knew Gretchen had been drinking when she fell to her death, Marissa knew her best friend had been murdered. Marissa saw Dillon Archer push

Gretchen. But her eyewitness statement was not enough for the legal system - and then Dillon disappeared. Marissa Gray is now a successful journalist. She returns to Aurora Falls to help her family get through a rough patch of life. With her Chicago newspaper experience, Marissa lands a position at the Aurora Falls Gazette. The editor of the Gazette is Andrew Archer. Though Andrew is Dillon's brother, the two are nothing alike. Marissa and Andrew still get along well, as always. Andrew is even married to Tonya (nee Ward), who had been friends with Marissa, as well as with Catherine, Marissa's older sister, until Gretchen's death. (In fact, Tonya had been part of the group on that black day of long ago, yet claimed Dillon had been attempting to save Gretchen.) The past comes crashing back - literally - when a hooded figure causes Marissa's car to swerve off a snowy road and toward the icy Orenda River. Chief Deputy Eric Montgomery can find no evidence of anyone having been in the road. Even Catherine, who is only one semester away from obtaining her license as a professional psychologist, is having trouble believing the wild story. But then old friends of Gretchen's start turning up dead. Marissa and Eric must come to terms with all the past events, including the intimate feelings they once felt for each other, or the next attempt on Marissa's life just may succeed. \*\*\*\* FOUR STARS! Better sharpen your wits before you begin reading this exciting story. I found it to be full of twists, turns, and unexpected surprises. Whenever I believed the pieces of this puzzle were coming together, the author tossed in something to blow my theory to smithereens. I never got used to feeling continuously off-balance and I never saw the ending coming. Very well done! \*\*\*\*Reviewed by Detra Fitch of Huntress Reviews.
