Not as good as the first sequel, but still entertaining.Von LenaRibkaI'd lie if I say I knew what I've read right now.But I'd lie if I say I didn't like it.It was just...h....BIZARRE, STRANGE, NOT VERY HEALTHY and BRAIN-F***G!Actually I'm sure that Luke King alias Todd Young has totally different way of thinking and imagination.Maybe he is not a

human? Who knows. I liked the first sequel more and I like the beginning and the ending here but don't ask me about the F**G STUFF that was in between... And forgive me, my Lord, I look forward expectantly to the next sequel.
