Von James Patterson : NYPD Red 3 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised NYPD Red 3 (English Edition):

A perfect readVon John T CAn excellently written piece with great characters and a plot to kill for. The first page drew me in and kept me engaged all the way to the end. It was a marathon read, that's true, but an enjoyable one at that. James Patterson's partner Marshall Karp has a very engaging writing style and it looks like the two working together

makes a perfect combination. The depth of the story brings to mind Janvier Chando's Triple Agent Double Cross. One thing for sure: NYPD Red 3 is going to stay on the bestseller list for a long while. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Glued to the pages Von L.B. Another great Red book! It was interesting and exciting from the first to the last page, with twist and turns to keep you on your toes while newer being hardwork. It is an easy and entertaining read, I can only recommend it!
