**Von David Weber : Oath of Swords and Sword Brother (War God combo volumes Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oath of Swords and Sword Brother (War God combo volumes Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. A Hard-SF Writer Turns Successfully to FantasyVon Ein KundeI've been talking this book and its sequel (The War God's Own) up to everyone I can find including the owner of the Genreflecting website. I was so impressed that I actually wrote Weber a letter--and that's something I've done only once before. Bahzell Bahnakson is a delightful new hero (though some readers may be just a tad put off by his Irish speech pattern)--loyal, bullheaded, true to his own sense of ethics, and not without a \*mind\* withal. There's plenty of action and humor, a vividly imaged world, well-drawn

characters, and lucid, logical explanations of how and why gods and magic work. Even Tomanak Scale-Balancer, Bahzell's divine patron, is sympathetic--nowhere near as remote as some fantasy god-figures. My only complaint was that there was hardly any magic at all in the first third of the book! A good read, fast-paced, solidly plotted, and well written. Highly recommended. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A superb piece of fantastic fiction - I loved it! Von Ein Kunde Oath of Swords is one of the best books I have ever read. Bahzell Bahnakson, the hero (although he would vigorously protest the title!) is vividly created and brought to life as a person you would actually want to know, unlike many other characters in popular books. He has both strengths and weaknesses, as well as the traditional protagonist's pantheon of virtues like honor, justice, and compassion, but he balances them with humor, intelligence, and a wonderfully pragmatic view of life, as well as a fascinating accent. The book is well written, with a true-blue, Weber-ish plot of convolutions, right angles, and multiple dimensions of action happening at once, but it is far more comprehensible than any of his military science fiction, and one of the most imaginative books I have ever found. The plot never grows old; I have read it a dozen times over, and it always is as fresh and interesting as when I started. It is a terrible jolt to come to the end, and I sincerely hope that David Weber will write a sequel soon. I would recommend it to anyone. It is truly one of the best books I have ever read in my life. I encourage everyone reading this to give it a try; you won't be sorry! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein guter Fantasy Roman von einem klasse SF Autor Von Gregor Theis In "Oath of Sword" geht es um die Reise / Flucht von Bahzell Bahnakson, eines Hradani (eine Menschliche Rasse mit Spitzohren und einer speziellen Art Rage/Wut, die diese zu Berserkern werden lässt). Bahzell muss aus Geiselschaft fliehen, nachdem er einer Frau gegen Unrecht geholfen hat. Wir bekommen die verschiedenen Stationen und Verstrickungen der Reise unseres Helden und seinen Verwicklungen geschildert, im Zuge derer Bahzell vom Kriegsgott zu einem seiner Champions erkoren wird. Ich habe diesen Fantasy Roman sehr genossen und fühlte mich gut unterhalten. Die Hauptpersonen sind sympathisch. Die Anzahl der Handlungsstränge ist gering. Das Buch und die Sprache ist gut zu lesen. Wir bekommen ein bisschen Action und Humor zu lesen. Ich werde mir jetzt den zweiten Band zu dieser Mini Serie bestellen "The War Goods own" und möglichst bald lesen. Da ich jeden Fantasy mit dem Herrn der Ringe messe, kann ich keine fünf Sterne geben. Trotzdem kann ich diesen Roman als gute Unterhaltung jedem empfehlen.

Kurzbeschreibung Whom the gods would recruit, they first tick off . . . Our Hero: The unlikely Paladin, Bahzell Bahnakson of the Horse Stealer Hradani. He's no knight in shining armor. He's a hradani, a race known for their uncontrollable rages, bloodthirsty tendencies, and inability to maintain civilized conduct. None of the other Five Races of man like the hradani. Besides his ethnic burden, Bahzell has problems of his own to deal with: a violated hostage bond, a vengeful prince, a price on his head. He doesn't want to mess with anybody else's problems, let alone a god's. Let alone the War God's! So how does he end up a thousand leagues from home, neck-deep in political intrigue, assassins, demons, psionicists, evil sorcery, white sorcery, dark gods, good gods, bad poets, greedy landlords, and most of Bortalik Bay Well, it's all the War God's fault. . . . PLUSA brand new 50,000 word novella, Sword Brother At the publisher's request, this title is sold without DRM (DRM Rights Management). From Booklist The creator of sf series heroine Honor Harrington turns successfully to fantasy. Bahzell is a prince of the Hradni, an outsize humanoid race prone to berserk rages. Due to a variety of circumstances, he becomes obliged to flee into regular humans' lands where Hradni are understandably unpopular. He and his companion survive a series of briskly paced adventures in a world Weber builds with a nice eye for detail, above-average knowledge of history, and a pleasing amount of wit. Moreover, the book's ending neither requires nor precludes a sequel. At the moment, Weber is not on a course to high honors or academic reputation but rather is emerging as a consistent producer of highly entertaining and intelligent action tales. Roland Green Kurzbeschreibung Whom the gods would recruit, they first tick off . . . Our Hero: The unlikely Paladin, Bahzell Bahnakson of the Horse Stealer Hradani. He's no knight in shining armor.
