KurzbeschreibungTarago Jakobus was 64, intelligent, extremely wealthy with a Midas touch. He was also openly

racist, politically incorrect and a chauvinistic pig who told offensive jokes. He loved to party and was used to women vying for his attention. So when his eyes fell on Tanin, he expected her to just melt into his bed and be grateful that he even looked her way. To his utter surprise, she was totally unimpressed with his wealth, thought he was an uneducated buffoon and publicly rejected him. Of course he was shocked and humiliated by her response. But no woman had ever turned Tarago down before, and he found her fascinating. He became obsessed with her and decided to win her over his way destroy all that is precious to her, so that she would have no choice but to need him. If that didnt work, hed switch to plan B take away her freedom and throw her ass in jail. And being the absolute bastard that he was, he did. Obsessed With Me is a modern-day, interracial / multiracial love story. s: "Can I rate 6 stars, maybe even 7 stars? How do you do it? Everytime you amaze me at how good you are at writing, you pull me into the story and even after I stop reading, the story is still in my head! Well done!! I have only one problem, WHEN can I read part two?? (reviewed the day of purchase)" "Tarago is a bad boy. By far one of the baddest bad boys I have ever stumbled upon. I loved him, though!" Thank you for giving me hope that there are people who can write juicy stories. I was getting bored with modern day romance. Keep it hottt. "I definitely enjoyed it, I had a great time reading it. And I'm really looking forward to read the next book. You left me here hanging Eve!!!! (reviewed the day of purchase)" "I love it!! When can I get book two?" "I discovered Eve on Monday, I'm reading some of her ebooks, yet again. I plan to also get the other books. Wow!!!" "This Author got my attention,never heard of her till yesterday,but I will be buying more books from her." "Tanin is a college student, Tarago is an alpha male jerk. Together they will keep you reading." "Kept me up till 2 AM. Loved it! Careful though, must be able to stand full-on racism. Not for the faint-hearted." Warning: Contains violence, strong language, racial themes and sex scenes, Author's Note: This book is set in South Africa in 1993 before Nelson Mandela was made president and has depicts racism between all races in South Africa. Having experienced racism first hand (I was thrown out of KFC for being the wrong colour) my experiences tend to infiltrate my works of fiction. If reading about racism offends you, you might want to pass on this book. This is a two-part series and book two is available. Hope you enjoy this love story. :) Link to YouTube video:
