Von Elizabeth Jane Howard : Odd Girl Out (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Odd Girl Out (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. an excellent readVon Ein Kundehaving myself mistakenly believed in a romantic situation where there was none, i found myself invested in this book...howard juxtaposes one couple's safe relationship ("like an island") with the solitude of a young girl's quest to be loved. although few can resist loving arabella, no one seems interested in keeping her. yet,

when she moves in with the cozy couple, readers watch the characters' emotions and insecurities unravel. every odd girl out will love this book, and every member of a 'safe' couple should read it for vicarious thrills.

KurzbeschreibungFrom the lauded, bestselling author of the Cazalet Chronicles, in *Odd Girl Out*, Elizabeth Jane Howard reveals with devastating accuracy a marriage put in a most destructive situation. Anna and Edmund Cornhill have a happy marriage and a lovely home. They are content, complete, absorbed in their private idyll. Arabella, who comes to stay one lazy summer, is rich, rootless and amoral - and, as they find out, beautiful and loving. With her elegant prose the author traces the web of love and desire that entangles these three; but it is Arabella who finally loses out.
