Von Dean Koontz : Odd Interlude before purchasing it in order to gage whether or not it would be worth my time, and all praised Odd Interlude:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A short but still great "inbetween" story about OddVon Johnny Nys** spoiler alert ** Actually, I don't see why this couldn't be included as a true part of the entire series. For me, this is book five, not "Odd Apocalypse".Another mad doctor with an experiment gone wrong. I like how this plotline has a kind of "Silent Hill" vibe to it.Too bad that besides Wyvern,

there are no references to Christopher Snow. I did get chills when Ed said, "There is someone else." I so wanted it to be Chris. That would have been so cool. I wonder if Koontz included this setting to let us know he hasn't forgotten about that other series. I did consider the thing in the tunnel to be Big-Head from the Snow books. The description certainly fit him. I was in stitches when Odd said, "Show me the mummy." 0 von 0 Kunden fanden die folgende Rezension hilfreich. A new adventure of the fabulous Odd! Von Delta.94 Odd Interlude is placed between Odd Hours and Odd Apocalypse. It's a three-part-story, so in fact it's shorter than the other Odd Thomas novels, but it is worth to read it. It's full of humour and suspense - and that's what I like in the Odd Thomas novels - the mix of humour and thrill. Who wants to know what happens between Odd Hours and Odd Apocalypse, and what happens with Odd and Annemaria there should read it! What I especially like was the little crossover of Fort Wyvern - you know, Fort Wyvern played a major role in the Christopher Snow novels and maybe Odd and Chris meet themselves in another book - I would be glad. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Too much bla-bla Von Dark Matter Don't get me wrong. I liked the story itself but : Koontz has overdone it this time with The Blabla. Way too much self-analyzing toooooo much Memory lane stuff and too much explanatory sentences that seem longer than a flight to Saturn. He builds up a situation and in the middle of the happening he lets the characters bla bla about this or that in Memory lane or goes thru a self-analyzing phase. He rips you out of the moment - it's sometimes more exhausting than fun to read.

Kurzbeschreibung Small-town guy meets big-time evil A spine-tingling Odd Thomas novella. THERES ROOM AT THE INN, BUT YOU MIGHT NOT GET OUT Odd Thomas and Annamaria need a break from the road. Nestled on a lonely stretch along the Pacific Coast, the warm lights of Harmony Corner welcome them in. The quaint roadside outpost offers everything a weary traveller desires a cosy diner, a handy service station, a cluster of motel rooms and the Harmony family homestead presiding over it all. But Odd has a bad feeling about this place. There's more to the secluded haven than meets the eye and between life and death there is something more frightening than either. Odd has faced evil many times and he will face it again before the night is over. Pressestimmen Praise for the Odd Thomas series: 'One of his finest books, and Odd himself is a superb character' Independent 'Odd Thomas is a page-turner ... A read-at-a-sitting novel with a terrific final twist' Observer 'Humour, humanity and horror, the classic Koontz concoction' The Times 'The nice young fry cook with the occult powers is Koontz's most likable creation.' The New York Times Praise for Dean Koontz: 'Dean Koontz is not just a master of our darkest dreams, but also a literary juggler' The Times 'A terrific pursuit story ... clever, up-to-the-minute, and riveting' Guardian 'There's surprise after surprise, including a killer finale ... a read-in-one-go novel' Independent on Sunday 'Psychologically complex, masterly and satisfying' The New York Times Kurzbeschreibung Small-town guy meets big-time evil A spine-tingling Odd Thomas novella.
