Von Isabel Allende : Of Love and Shadows: A Novel (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Of Love and Shadows: A Novel (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Book reviewVon Ein KundeAlthough this book gathered dust on my shelf for over 3 years I finally sat down to read it. How glad I am that I finally finished this book. We are taken to an uncertain world with in these pages. A Latin culture so immersed in magic, spirituality and love of family battels their political deamons. The question is what happens to the

political prisoners who mysteriously disappear? Although many of the people know the answer, it is too horrible for them to admit until they are awakened by the discoveries of the main characters, Fredirico and Isabel. These two characters are not only our heroes but they are also madly in love with one another. Great work! 1 von 1 Kunden fanden die folgende Rezension hilfreich. At times captivating Von Ein Kunde To be sure this book had an interesting plot but at times it couldn't hold my attention. The description of the crimes committed by the regime was harrowing. The sex scene was powerful but was it necessary for the novel as a whole rather than Allende just showing off her ability to talk about sex? This is the only book I've read by Allende. Perhaps I'll give her another chance with a different novel she's written. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Beautiful imagery mixed with undeniable tragedy. Von 02rmcmor@uor.edu I read this book in order to study the coup of Pinochet in Chile as part of a class in high school. Allende is such a wonderful author that I was captured by this novel and unable to put it down. The characters are so real that they wrap themselves in the sympathy of the reader. This book was both entertaining and enlightening. Allende is one of the best writers in any language.

Kurzbeschreibung Available for the first time in ebook, this profoundly moving tale of love, bravery, and tragedy by New York Times bestselling author Isabel Allende brings to life a country ruled with an iron fist and the men and women who dare to challenge it. Irene Beltrn is a force to be reckoned with. As a magazine journalist, an unusual profession for a woman with her privileged upbringing, she is constantly challenging the oppressive regime. Her investigative partner is photographer Francisco Leal, the son of impoverished Spanish Marxist migrants. Together, they are an inseparable team and despite Irene's engagement to an army captain form a passionate connection. When an assignment leads them to uncover an unspeakable crime, they are determined to reveal the truth in a nation overrun by terror and violence. Together, they will risk everything for justice and, ultimately, to embrace the passion that binds them. Pressestimmen "Her pen has a clenched fist and cries out against injustice. Viva Allende!" (Kate Saunders Books) "This is propaganda on the side of the angels. Latin American dictators had better ban it immediately!" (Jill Neville Independent) "Breathtaking...an imaginative landscape where fabulous things happen" (Helen Birch City Limits) Kurzbeschreibung Available for the first time in ebook, this profoundly moving tale of love, bravery, and tragedy by New York Times bestselling author Isabel Allende brings to life a country ruled with an iron fist and the men and women who dare to challenge it.
