**Von P.S. Power : Off Center (The Lament Book 2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Off Center (The Lament Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mittelprechtige FortsetzungVon VideyeDie Story setzt genau am Ende des ersten Teils an. Das finde ich persnlich gut.Allerdings wirkt die Story irgendwie zh und handlungsarm, auch wenn natrlich was passiert...Bardin in Ausbildung Pran (Hauptdarstellerin) und ihre (psychologisch, mentale) Entwicklung gefllt mir weiterhin sehr gut.Fr mich ist das auch das beste an diesem Teil.Man kann sich vorstellen, wo in den nchsten Bchern oder Buch die Reise hingehen soll.Wenn der Schreibstil dann weniger auf einem "Baukastenprinzip" basieren wrde, berlege ich mir das auch noch mit dem nchsten Buch.Bis auf Pran ist es ansonsten kurz vor langweilig und verbesserungswrdig.Das Buch

muss man nicht unbedingt lesen.

KurzbeschreibungPran is now a Bard again, thanks to some very high level help, from places so high up she can scarcely believe it's really happening. That doesn't mean her work is over, since it's now her job to help arrange a way to get a spy into the halls of power, to uncover a secret and ancient plot. Things aren't exactly as she thought they were however, and now she has to suspect her own friends and comrades of being in on the designs. In the end, her place is assured however. Pran is going to be with the winners, no matter what.
