Von Hannah Reed : Off Kilter (A Scottish Highlands Mystery) before purchasing it in order to gage whether or not it would be worth my time, and all praised Off Kilter (A Scottish Highlands Mystery):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Does not fulfil its promiseVon sabine1963The book starts out with an interesting situation and a likeable heroine. However, it

suffers from too many repetitions, especially of Eden's thoughts and opinions about her opponents and her rather irrational behaviour at times towards the inspector. There is no real evolution in the characters. In the beginning I liked the book but in the end I just skipped along the pages to know its end.0 von 0 Kunden fanden die folgende Rezension hilfreich. Enjoyed but too longVon Jeanne AdamekI loved the quirky character of Eden and reading about how she came to be in the village of Glenkillen. I really enjoyed how the writing flowed--it made the reading a pleasure. I liked the descriptions of the village and the dialog of the characters--I could really hear them talking. I have to admit I did figure out who the murderer was, but this does not bother me or detract from the story for me.What does detract is the feeling that the story has run on too long. Oh, it wasn't just this author--this seems to be going on with most of the cosy stories that I use to love so much. I want to stop a book with the feeling that I need to read the next book NOW. But now I get the same feeling that I do when I indulge too much in a dessert I love. I feel over filled and do not really want to look at another dessert for a long time. The same is with a too long story. And that is too bad when I start a new series. I really enjoyed this book but will I remember when the next one comes out?3.5 stars0 von 0 Kunden fanden die folgende Rezension hilfreich. liebVon Martina.Hamiltonlieb und unterhaltsam ! Hat mich gut unterhalten. Ist definitiv weiterzuempfehlen !Muss mal gucken was Hannah Reed noch geschrieben hat ...

KurzbeschreibungNational bestselling author Hannah Reed brings mystery lovers the first in a brand-new series, in which a young writer finds herself swept up in a murder amidst the glens and lochs of the Scottish HighlandsAfter the recent death of her mother and the dissolution of her marriage, thirty-something Eden Elliott is seriously in need of a fresh start. At the urging of her best friend, bestselling author Ami Pederson, Eden decides to embark on an open-ended trip to the picturesque village of Glenkillen in the Scottish Highlands, to do some hands-on research for a book of her own. But almost as soon as Eden arrives in the quaint town, she gets caught up in a very real dramaThe towns sheep shearer is found murderedclipped with his own shearsand the locals suspect Vicki MacBride, an outsider whose fathers recent death left her the surprise heir to his lucrative sheep farm. Eden refuses to believe the affable heiress is a murderer, but can she prove that someone is out to frame her new friend before she finds herself on the receiving end of more shear terror?PressestimmenIf you fancy a quick, inexpensive trip to the Scottish Highlands, thenOff Kilteris your ticket. Join writer Eden Elliott as she journeys to Glenkillen to research and write her first book, then go along for the investigation into the death of the towns sheep-shearer. Hannah Reeds new series will please Scotophiles everywhere, and theyll soon be eager for another trip to Glenkillen.Miranda James,New York TimesBestselling Author of The Cat in the Stacks mystery seriesHannah Reeds series debut captures the appeal of the Highlands, and features a plucky, determined heroine surrounded by a cast of quirky but believable characters.Sheila Connolly, New York Times bestselling author of the County Cork MysteriesKurzbeschreibungNational bestselling author Hannah Reed brings mystery lovers the first in a brand-new series, in which a young writer finds herself swept up in a murder amidst the glens and lochs of the Scottish HighlandsAfter the recent death of her mother and the dissolution of her marriage, thirty-something Eden Elliott is seriously in need of a fresh start.
