Eden and Xander's Love Story!Von Ingrid Stephanie JordanTitle : Off Limits Book 3 The Hunted SeriesAuthor : Bethany ShawReviewed by : Stephanie Jordan When Ms. Shaw decided to write this book I think she wanted to make sure she wrote about Betrayal, Prejudice, Fear, Hate, Rage and of course Love.Eden was a half human and half wolf and that

was what was wrong, she could not shift so Eden was shunned and ignored there noses so far up, Eden was used to this kind of life. And for that the Wolves of Sanctuary a safe haven for all shifter to live in peace and safe from hunters. Of course it didn't hurt Eden was totally in love with Xander who was a full blooded wolf, who happened to be her best friend. It was getting harder and harder for Xander keeping his hand off Eden and just protect her, but who was going to protect her from him. When Eden and Xander were captured by the hunters they shot Eden in the back, their was so much blood, they took her away for the doctor to take care of her and threw him into a cell. While worrying and pacing minutes turned to hour which turned into days, then weeks was she still alive? I was gifted this ARC for an honest and truthful review.

Kurzbeschreibung Eden is a Halfling. Part human, part wolf. An outcast in the shifter community. Being different doesnt bother her much. She just wished that her best friend and sexy alpha werewolf Xander would notice her. When her and Xander are put in danger, getting Xanders attention is the least of her worries. Now its survival time. And if she can will her life include Xander by her side? Xander must claim a mate by his birthday. Hes already found a woman he craves, but Eden is forbidden. When a betrayal puts them in peril, he vows to protect Eden with his life. But being so close to her presents a temptation he cant fight. Will he give into his desire and put her in more danger or walk away from the only woman hell ever love? Kurzbeschreibung Eden is a Halfling. Part human, part wolf.
