**Von C.J. Box : Off the Grid (Joe Pickett)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Off the Grid (Joe Pickett):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Top Read Von Karl Wiggins I stumbled across this book and recalled another CJ Box book a few years ago which I thoroughly enjoyed. Off the Grid didn't disappoint and I think what makes this author's stories so engaging is his characterisation and in this age of superheroes in super-costumes it's refreshing to read of an ex-military hero capable

of ripping the bad guys ears off with his bare hands whilst still ensuring his hawks (peregrine, red-tail and gyrfalcon) are fed. Nate Romanowski has the true warrior mentality, and Box shows an understanding of this in that although Nate doesn't really want to kill anyone anymore he'll do so in a heartbeat if it's the right thing to do, and he will feel no guilt about this. It won't bother him. No post-traumatic stress disorder for Nate, he just wants to be left alone. But he has a past, and once the FBI (or whoever they are) discovers his whereabouts they promise to make his past disappear if he'll complete just one more mission. Nate trusts them as far as he could throw them, but understands that he has no choice. I loved the description of yarak which I understand comes from the Persian yrak (power and boldness) and the Turkish yara (readiness) and which refers to a trained hawk in proper condition for hunting. The peregrine falcon sees its prey as the one true thing to the exclusion of everything else, and it's with this sense of yarak that Nate enters into battle with the enemy as the one true thing, just like peregrine. 0 von 0 Kunden fanden die folgende Rezension hilfreich. **Breathtaking** Von S. Krger Joe Pickett has grown older and his cases lead him from accidental murder in his home region to being some kind of special agent for Governor Rulon - and this time he has to deal with Islamic terrorism. Still, the author manages again to stay away from stereotypes and simple solutions. The overall message is Joe - his love of nature and his view of humans as part of a natural circle. Apart from that the novel is a breathtaking thriller, introducing Sheridan Pickett as a new hero and leaving enough loose threads for more stories which I can't wait to read.

**Kurzbeschreibung** There's no hiding off the grid. Joe Pickett's old friend Nate Romanowski is off the grid, lying low while the FBI search for him. But they're not the only ones looking. Nate finds himself confronted by agents who need his help assessing a potential terror threat in Wyoming's Red Desert in return they'll make Nate's criminal record disappear. Nate knows they can't be trusted but with his liberty at stake, he has to comply... for now. Meanwhile, Joe's heading south, under orders from State Governor Rulon to investigate a rash of crimes and an uptick in secretive federal activity along Interstate 80... As they pursue their quarry, both men will be drawn deep into the Red Desert, 9,000 square miles of bleak, punishing terrain, home to a secret that could take them both down. What people are saying about OFF THE GRID: 'Off The Grid is one hell of a book' 'After a long series of excellent books, the characters still feel fresh' 'Keeps you on the edge of your seat. As usual, once you start you can't stop!' 'C J Box can't write them quick enough, I loved it' **Pressestimmen** Praise for Off the Grid With this exceptional entry, Box solidifies his place at the upper end of the crime fiction pantheon. Publishers Weekly (starred, boxed review) Picking up a new C. J. Box thriller is like spending quality time with family you love and have missed... Its a rare thriller series that has characters grow and change. An exciting reading experience for both loyal fans as well as newcomers. Associated Press Filled with high suspense, formidable characters, and an action-packed ending more vivid than most movies. Off the Grid never falters as Box again delivers an exceptional thriller. South Florida Sun-Sentinel You can't help turning the pages and holding your breath until you find out where this scary, all-too-plausible caravan is heading. Kirkus's A terrorist thriller with a uniquely western flair... This is a breakneck story that Pickett fans will want to read in one sitting. **Booklist** More Praise for the C. J. Box and the Joe Pickett novels One of today's solid-gold, A-list, must-read writers. Lee Child Box is a master. The Denver Post Box knows what readers expect and delivers it with a flourish. Cleveland Plain Dealer Wyoming game warden Joe Pickett strides in big boots over the ruggedly gorgeous landscape of C.J. Box's outdoor mysteries. The New York Times Book Riveting... [A] skillfully crafted page-turner. People Will keep you on the edge of your seat. The Philadelphia Enquirer **Kurzbeschreibung** There's no hiding off the grid.
