Groartig!Von Rivanna LckIch liebe Shay Savages Stories!!!! Sie schreibt in einem ganz eigenen und fr mich

fesselnden Stil. Fußball für Frauen :-)

Kurzbeschreibung I have to be the best. I am the best. Im quick. Im strong. Im smart. Im the star keeper of my high school soccer team, and Ive got major leagues scouting me. As their captain, my teammates will do anything I say on or off the field. Girls practically beg to be added to my list of conquests. As long as I manage to go pro for the best team in the world, I wont have to worry about my fathers wrath. Im Thomas Malone, and Ive seen to it that the world revolves around me. Theres a new girl at school, and its just a matter of time before she gives in to my charm. This ones just a little more stubborn than most she wont even tell me her name! Shes smart, too. Maybe too smart. I cant let her in. I cant let anybody in. Im not too worried, but even I have to admit shes interfering with my focus on the goal. Dads not going to be happy about that. Did I mention I love Shakespeare? Yeah, I know. Im a walking contradiction. According to the Bard some are born great, some achieve greatness, and some have greatness thrust upon them. Somehow, I got all three. Now how is anyone supposed to live up to that?
