ihre Heimatstadt zurückkehrt. Es knistert gewaltig, die Liebesszenen sind wirklich toll, der Mann einfach zum Anbeugen. Frau Stone kann sicherlich schreiben. Es ist eine simple Liebesgeschichte, die ist schnell gelesen, aber irgendwie packt es einen trotzdem, ich habe mich nämlich in die Geschichte verliebt. Habe auch das zweite nicht kostenlose Buch dieser Drillingsserie gekauft und gelesen, gefiel mir auch sehr gut. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Godd read, but... Von Glückskind... it was nothing special... I know that most love stories wouldn't be as dramatic if the couple would actually talk to each other about their problems, but this one gets the cake. I really don't want to spoiler, but both of the protagonists had just so many issues, it was ridiculous. They could have avoided so many misunderstandings with talking... And the end was just too fast. I was always waiting for the other shoe to drop, but that actually happened in the last two percent and of course the hero is able to save the heroine in a dramatic gesture. It was a good book, but nothing special and I don't think I am going to read the other two books about the Barker triplets... 0 von 0 Kunden fanden die folgende Rezension hilfreich. I Loved it ! Von Mic This book ist really great ! Combine love and a touch of sport, but mostly a wonderful protagonist who is very head strong and a very charming guy who is lovely, understanding and also an absolute male special man ;) I liked it a lot, that there are a few secrets which will be discovered and are adding the right amount of spice to the story. Go Barker girls !

Kurzbeschreibung When hockey phenom Billie-Jo Barker returns home and decides to play in the local Friday night hockey league, all hell breaks loose. Not because Billie's talent is in question, but because Billie is a woman. And though these are modern times, some of the local guys still have a problem letting a girl into their 'men's club.' Soon, Billie is at the center of a small town battle of the sexes, with everyone choosing sides. Her sisters. The townsfolk. Her friends. And yet, the only person whose opinion she cares about doesn't seem to care much at all. Logan Forest, the man who broke her heart when she was eighteen and the man she now shares the bench with ever Friday night. She's got a lot to prove and though Billie Jo Barker scores on the ice, will this girl ever score with the man of her dreams?
