Von Joyce Jordan : Olivia Cooper: #3 (Age Ain't Nothing But A Number Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Olivia Cooper: #3 (Age Ain't Nothing But A Number Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Liebe kennt keine Altersgrenze, 3. TeilVon Renate H.Olivia hat unter dem Verlust ihres Bruders und ihrer Gromutter zu leiden, die ihre letzten Verwandten waren. Dazu hat sie unter 3 Mitstudenten zu leiden, die sie permanent mobben, und auch nicht vor Handgreiflichkeiten zurückschrecken. Aus so einer Situation wird sie von Cooper gerettet, der ihr weitere Hilfe anbietet. Nach einer weiteren Eskalation ist sie gezwungen, diese Hilfe anzunehmen, um weiter studieren zu können. Aber Liebe bei diesem Altersunterschied?Auch die dritte Geschichte dieser Reihe ist gut geschrieben. Die Handlung ist spannend und plausibel, die Charaktere liebenswert gezeichnet. Die gegenseitige Anziehung ist spürbar, der Sex erotisch. Was mir auch gut gefällt, ist das Auftauchen der Figuren aus den vorherigen Bänden, deren Geschichten man so weiterverfolgen kann. Das Happy End ist unausweichlich;-)Was ich weniger gut finde, sind die wieder vermehrten Rechtschreibfehler:-(Trotzdem habe ich mich beim Lesen gut unterhalten und kann das Buch empfehlen.

KurzbeschreibungCooper Stoneridge could not believe that bullies existed even at colleges. He met the beautiful, Olivia Ballard, one evening as she was being pushed around by not one, but three college bullies. Can he help Liv? Will Liv accept his help? Despite his good intentions to wait until she graduates, is Coop able to stop his growing attraction for the young college beauty? Olivias world had just come crushing down merely three weeks ago as her only two remaining family members died. Devastated she continues going forward with her studies, as a promise to both her brother and grandmother. But how can she complete her last year if someone wants her to fail and lose her scholarships and grants. And with only a week before she is kicked out of the apartment she had shared with her grandmother and brother, where can she go without a penny to her name? Can she accept Coops help?KurzbeschreibungCooper Stoneridge could not believe that bullies existed even at colleges.
