oddVon Ein KundeI believe it's a little odd how this series was written. I've always loved the order in which the books were written. By writing it with the last book explaining the story, you make the reader think for themselves and want to go back and read the series all over again. We all sit there the first four books and condemn the evil grandmother and then we hear the grandmother's story and understand the rest. However, it's odd how the Logan series jumps to Laura's story. Ideally, we would expect to hear Haille's story. Olivia was a good book...but it's all a little out of the traditional order it usually is written in. Maybe the ghost-writer has a say in it?3 von 3 Kunden fanden die folgende Rezension hilfreich. Fesselndes Ende einer groen Saga!Von Ein KundeDer fnfte Band ist wohl gleichzeitig auch der beste - wie konnte aus Olivia so eine kalte, unbarmherzige Frau werden? Das Buch stellt sie in ein anderes Licht; wie sie aus Eifersucht und Neid und viele uere Umstnde immer verbitterter wurde und die Chancen, die sie htten gcklich machen knnen, einfach nicht ergreift. Ihr Hass auf ihre schne Schwester nimmt totale Oberhand in ihrem Leben, der Olivias Verhalten unkontrollierbar macht.Ein gelungener und spannender Abschluss!2 von 2 Kunden fanden die folgende Rezension hilfreich. Tragisch, aber realistischVon Ein KundeIch habe das Buch bereits in Englisch gelesen und kann nur sagen: Hut ab. Ein gelungener Abschl der Logan-Saga wird geboten. Olivia ist ein unsympathischer Charakter, aber in diesem Roman erfhrt der Leser auch tragische Details ihrer Jugend, die den Ha ihrer Schwester Belinda gegenber verursacht haben. Absolut lesenswert!

KurzbeschreibungOlivia always knew her younger sister would get into trouble. but she never realized the undercurrents of disaster would grow to a raging flood....Olivia was always the sensible one. The responsible sister. She took after their father, a man as cold and driven as the Cape Cod wind, a man possessed by an inner need to be respected and successful. She would be the one to take over his million-dollar businesses. She would become the unwavering compass and resilient caretaker of the Logan family -- whether she wanted to or not.But Belinda belonged only to herself. Flighty, flirtatious, and possessed of a beauty that promised her a privileged life, Belinda was lavished with attention. Mother and Father, family friends, boys from school, they all adored Belinda. And as she matured into a young woman, her beauty became even more haunting. She vowed never to grow up, to remain forever an enchanting little girl to be worshiped and cared for.Then came that fateful night, when Olivia was awakened by the low whistle of the wind off the ocean...a whistle that became an unearthly wail coming from Belinda's bedroom. It was the tragic night that their father would forbid them to speak of ever again. The night they would never forget. The night that would send generations of Logans down an unavoidable path of lies, deceit, and heartbreak.KurzbeschreibungOlivia always knew her younger sister would get into trouble. but she never realized the undercurrents of disaster would grow to a raging flood....Olivia was always the sensible one. Her sister Belinda, on the other hand, received all the attention and was by far the most beautiful.
