Born (Desert Wolf #3) Von WOLI recieved a free copy of this story in exchange for an honest review The story continues with Kyrt and Zan, and Canis surprised me with the happening that never Kyrt nor Zan had ever meet a Horse. And I was exited when I read the upcoming actions as they met an other alpha and omega and leading them to new horizons. It is a must going on and I am thrilled to read the forth part of this story. Hopefully soon

Kurzbeschreibung Months into their journey, Kyrt and Zan discover a tribe of non-shifters who may hold the key to getting them to their new home but with the baby on the way, theyve become unsure whether they should complete the journey. The two meet Kaga, the mystic shaman of the village who was born an omega, and Zan vows to help him remember how to shift so that he can have a child with his alpha true love. Its innocent enough until they learn what they must do at the mating ceremony! OMEGA Born is the third volume in the Desert Wolf series. This series contains steamy love scenes, a HEA, a strong omega, a dashing alpha, mpreg (male pregnancy), and thrilling adventure in exotic locales.
