First I wondered what the hell happened, where is the rest of my favoured crew? But soon we see that it all comes to pass and off our reunited group goes to save the princess. And yes

, it is an actual princess. A lot of new story lines come up and it's a very good read. The plot coming up for the next books looks promising and I am looking forward to it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Read  
I'm a big fan of the series. I'm biased perhaps, but these books are fun. They're always an enjoyable read. The characters are well developed and very believable. I'm anxiously waiting for the new installment. I check back often.

Kurzbeschreibung There is a fine line between right and wrong, good and evil. For years Jason Burke has straddled that line as best he can, always convinced that despite the violence carried out by him and his team they were firmly on the right side of that line. But as he reflects on his time with Omega Force, he begins to have his doubts. When strange happenings from the mysterious Avarian Empire cross the expanse and Jason and Omega Force is pulled into the conflict, they must pick sides between two superpowers, all without knowing whom they can trust. At every turn, friends reveal themselves to be enemies, and enemies might be friends. All he knows for certain is that if they make it through the mission things will never be as they

were.-----"Omega Force: Redemption" is the seventh installment of the bestselling "Omega Force Series." It continues the adventures of Jason Burke, a lone human in space who has linked up with five other aliens to try their luck as hired guns. Their mandate: to help those who don't have the means to help themselves and never accept a job that would compromise the honor code they live by.
