great read

This is my favorite sci-fi series and I enjoyed every single book. The stories are well drafted and written (and edited). There's action, good dialogue, and characters you can relate to. I get immediately sucked into the stories and always feel I'm on board of the ship. I like this a lot. I'm not just reading the story, I'm part of it. Return of the Archon focuses on Crusher and his background. I would have liked a tad bit more action, but I read the book in two days.

Kurzbeschreibung
Each member of Omega Force carries his own baggage. Most of them are running from their past, or simply trying to forget it. One member of the small mercenary crew is not who he claims to be, however. When his former life collides with his current one, the team is drawn into a conflict that could have profound consequences for the future of an entire species. Captain Jason Burke struggles to find answers as the tight cohesion of his crew seems to dissolve. No matter the outcome of the mission, can Jason keep Omega Force together once the dust settles?
