**Von Joshua Dalzelle : Omega Force: Soldiers of Fortune (OF2) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Omega Force: Soldiers of Fortune (OF2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A very

enjoyable story Von Ralph von Vignau A bunch of misfits from various alien cultures doing their best to help people makes a very entertaining story. I hope more books come. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Flach Von Kindle Customer Ständig der gleiche Ablauf. Starten-Landen, Essen-Schlafen. Wenn es dann mal spannend werden knnte, fehlt Dalzelle die Fantasie und die Dialoge wirken aufgesetzt. Die Charakterbeschreibungen sind eher dnn und es finden wenig menschliche Interaktionen statt. Wer es einfach mag und Scifi im Comikstil (ohne Bilder) ausreichend findet, kommt auf seine Kosten. Nicht schlecht genug um sich zu rgern, aber auch nicht gut genug um die nchste Folge zu lesen. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Entertaining and enjoyable Von cu This series is entertaining and enjoyable and I look forward to every new book. The stories are well written and the plots well drafted. There's action, good dialoge, and characters you can relate to. This book is another good read.

Kurzbeschreibung Omega Force is back! After the daring rescue of a political dissident, Omega Force is contracted to investigate a rash of violent attacks on civilian shipping lanes within a group of star systems known as the Concordian Cluster. It seems a simple enough job with a huge payday at the end and its exactly what the ragtag group of mercenaries needs in order to keep their ship flying and to stay one step ahead of those hunting them. However, the further they delve into the seedy underworld of the Cluster the more they realize they may be in over their heads. With innocent lives hanging in the balance, Captain Burke and his crew begin a desperate race to uncover who is responsible for these attacks, and why, before their ultimate goal can be realized.

"Omega Force: Soldiers of Fortune" is the follow up to the popular novel "Omega Rising". It continues the adventures of Jason Burke, a lone human in space who has linked up with five other aliens to try their luck as hired guns. Their mandate: to help those who don't have the means to help themselves and never accept a job that would compromise the honor code they live by. Kurzbeschreibung Omega Force is back!
