Returned Part II Von WOLI received a free copy of this story in exchange for an honest review Well I was glued by the first line, so see how the story goes on. How the bondage between the two only got stronger. It is a great new part of the story between Zan and Kyrt and I will not tell any about it here then get it and keep going and hopefully not to long waiting for the third part as is let me end this one asame as the first one with the thoughts of 'Nooooooo, not now please keep going!!!'

Kurzbeschreibung Kyrt and Zan, former enemies, now lovers, are a new alpha and omega pair mated by destiny. Just beginning their journey out of the desert together, the sudden threat of the Red Moon bandit pack and their new leader drives the two wolves back to Zans village. The young omega must not only warn them of the coming danger, but also somehow convince his pack that his new alpha mate is no longer the same dangerous bandit who they once feared. OMEGA Returned is the second volume in the Desert Wolf series. This series contains steamy love scenes, a HEA, a strong omega, a dashing alpha, mpreg (male pregnancy), and thrilling adventure in exotic locales.
