KurzbeschreibungThe bloody war between the Vampire Tribunal and the defiant scathe of Penton, Alabama, rages on, forcing its residents and their bonded humans to retreat into the underground fortress of last resort: Omega. There, Will Ludlam is charged with the care of Pentons humans, though he longs to fight alongside his vampire brethren. He knows the risks: as the renegade son of the Tribunals vicious leader, Wills capture could doom the resistance. Yet he is determined to prove his worth to his adopted scathe, to his vengeful father and to former US Army officer Randa Thomas, his beautiful, reluctant partner. Randa has little faith that a former member of the vampire elite has what it takes to fight a war. But as their enemies descend upon Omega, Wills polished charmand Randas guarded heartfinally give way to the warrior within. Fans of Susannah Sandlins Penton Legacy are sure to devour this long-awaited third installment of the steamy paranormal series.
