Von W. Somerset Maugham : On a Chinese Screen (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised On a Chinese Screen (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. From England to ChinaVon KundeI had no idea what I was starting to read, but turned out its a great look into 1920's China

from the point of view of a British man. Maugham's descriptions are beautifully clear and immediately a image formed in my head from each setting. A set of short stories, easy to read in the subway or on the bus.

Kurzbeschreibung Maugham spent the winter months of 1919-20 travelling 1500 miles up the Yangtze River. Always more interested in people than places, he gave full rein to a sensitive and philosophical nature. On a Chinese Screen is the refined accumulation of the countless scraps of paper on which he had taken notes. Within the narrow confines of their colonial milieu, missionaries, consuls, army officers and company managers are all gently ridiculed as they persist obliviously with the life they know. Pressestimmen "A fascinating volume - vivid, thoughtful, full of colour." - The New York Times Werbetext A fascinating account of Maugham's travels in China by the neglected 20th century master
