Heidemarie PuntschuhDas Buch hat mir gefallen. Es ist nett geschrieben. Die Figuren bleiben allerdings etwas bla. Aufregend ist es nicht wirklich, allerdings bleibt man neugierig. Inhalt: Junge Manner werden ermordet (es bleiben keine Spuren zurck) und jene, die noch nicht tot sind frchten um ihr Leben. Es stellt sich heraus, dass ein 12 Jahre alter Vorfall, in den die jungen Manner verwickelt waren, Grund und Ursache sind. Interessant hier die Figur einer lesbischen Polizistin (auch deren Gefhle gut beschrieben). Der Schluss war fr mich dann doch recht gut weil berraschend.

KurzbeschreibungDetective Sergeant Catherine Bishop has an enigmatic new boss, DI Jonathan Knight. How he'll adapt to life in Lincolnshire after years in the Met is anyone's guess. When the body of a well known local thug is discovered, an intriguing message found on his battered corpse raises unwelcome questions. Is DS Bishop herself being accused of the grisly murder, or does the message point to a more sinister secret? As the body count grows higher, Bishop and Knight find themselves in a race against time to discover the identity of a merciless, faceless killer whose motivation is a mystery.KurzbeschreibungDetective Sergeant Catherine Bishop has an enigmatic new boss, DI Jonathan Knight. She finished university with a BA (Hons) in English Studies, then had a variety of jobs and kept writing in her spare time. After the arrival of her son, she had a period of leave from work and sat down one day with the hazy daydream of writing a book. She sat down day after day and tried to get as many words as possible onto the screen. Eventually, On Loughton Moor appeared. She is currently working on the second DS Catherine Bishop book as well as a historical novel.
