Von Susan Andersen : On Thin Ice before purchasing it in order to gage whether or not it would be worth my time, and all praised On Thin Ice:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. On very thin iceVon Ein KundeFrom the back cover:For Sasha Miller, the world of professional ice skating brought glory,

fame and a refuge from the wounds of her tragic past. But it also brought shame when she lost her childhood friend and partner, Lon, to a mysterious drug scandal that left innocent people dead. Sasha went on to Olympic fame, her graceful skating and dazzling smile hiding a heavy heart. But that was years ago - and now Lon is back, promising her he's changed for good. So why is there a trail of dead bodies left in the wake of the ice show's tour - a scene that eerily echoes the nightmare Sasha has tried to forget ...? Babysitting a bunch of ice skaters isn't special agent Mick Vinicor's idea of a good time undercover, but it's the only way to get close to Sasha and investigate the bizarre murders that seem to follow her from city to city. He's convinced the beautiful skater knows more than she's admitting, but unraveling the mystery of her deepest secrets and twisted loyalties leaves him vulnerable to emotions he can't afford. Because somewhere out there, hiding in the stands, stalking the shadowy corridors of each arena, getting close enough to touch, is a cold, methodical killer who won't stop until Sasha has paid the ultimate price ... Perhaps "On thin Ice" wasn't Susan Andersen's best book, but it was worth the time I spend reading it. The main characters are nice people you wouldn't mind to know. Although I didn't like Lon at first, he wasn't such a bad guy in the end. It was definitely interesting to learn a little bit about the ice skating crowd. So I advise you to read this book, simply, because Susan Andersen is such a great author and because this story, although it was published first in 1995, is really good.

Kurzbeschreibung Blood At first, the victims seem random, casualties of bad luck or bad judgment. But the body count keeps growing, until there's no denying the trail of death that makes its way from city to city. And always, it leads right to Sasha Miller's door. **Runs** Sasha's ice-skating career was almost destroyed when her partner was jailed on drug charges. Through sheer determination she rebuilt her life, yet lately, she can't shake the feeling she's being watched. Undercover DEA agent Mick Vinicor was convinced Sasha had something to hide. Now he's realizing how much she has to fear. . **Cold** The nightmare has begun again. But this time, the stakes are much higher. Someone has been waiting to make Sasha pay--someone who'll show her that vengeance is twisted, merciless, and colder than the grave. . "Riveting and absorbing. . .sensual and emotional. . .dynamic suspense." **Romantic Times** **Kurzbeschreibung Blood** At first, the victims seem random, casualties of bad luck or bad judgment.
