Von Charles Bukowski : On Writing before purchasing it in order to gage whether or not it would be worth my time, and all praised On Writing:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Intersting and good reading. Von David Lance Taaffe If you die, and have not read Charles Bukowski, then your life was wasted and unfulfilled. Real life reporting on the underbelly of society.

Kurzbeschreibung Sharp and moving reflections and ruminations on the artistry and craft of writing from one of our most iconoclastic, riveting, and celebrated masters. Charles Bukowski's stories, poems, and novels have left an enduring mark on our culture. In this collection of correspondence letters to publishers, editors, friends, and fellow writers the writer shares his insights on the art of creation. On Writing reveals an artist brutally frank about the drudgery of work and canny and uncompromising about the absurdities of life and of art. It illuminates the hard-edged, complex humanity of a true American legend and counterculture icon the laureate of American lowlife (Time) who stoically recorded society's downtrodden and depraved. It exposes an artist grounded in the visceral, whose work reverberates with his central ideal: Don't try. Piercing, poignant, and often hilarious, On Writing is filled not only with memorable lines but also with Bukowski's trademark toughness, leavened with moments of grace, pathos, and intimacy. Pressestimmen Always passionate, frequently funny, occasionally incoherent excerpts from a significant 20th-century American writer. (Kirkus s) The letters are a wild ride informed in equal parts by ego, alcoholism, misanthropy, erudition, and the genius, as Bukowski puts it, of one touched by the grace of the word. (Publishers Weekly) By turns, the poet's letters are humorous, boastful, self-deprecating, and angry at the world, but they are always entertaining. VERDICT: Bukowski fans will welcome this new collection tied to the celebration of what would have been his 95th birthday. (Library Journal) Kurzbeschreibung Sharp and moving reflections and ruminations on the artistry and craft of writing from one of our most iconoclastic, riveting, and celebrated masters.
