Von Kim Dare : Once a Brat (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Once a Brat (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Two hot men who are made for each other.Von Serena YatesA submissive "stalking" a dominant? Really? I have to admit that idea alone made me curious to read this story. And, with her usual flair for mixing just a little humor with some seriously hot BDSM, Kim Dare managed to pull me in from the very start. Both main characters are just perfect: the

sub couldnt be brattier if he tried, and the Dom is about as dom-y as possible. And yet, somehow they are the perfect fit for each other. Bret is young, eager to find out more about BDSM, certain he is a sub, and totally inexperienced. He sees Marcus in the Spread Eagle club and decides the man will be his master. Never mind that Bret isnt like the other subs, he isnt willing to change himself into someone else. Yes, he is afraid he is too bratty for Marcus, but he persists anyway. I cheered him on. And even though he takes some really risky decisions. He knows he can trust Marcus; lucky for him, Marcus is a good Dom! Marcus is wonderfully exasperated at Bret's stalking efforts. I think he secretly likes Bret's courage and determination, not that he lets him know that. He ends up curious enough to try a scene and is impressed. Even though he thinks he doesnt want a novice, there is something about teaching Bret everything from the ground up that fascinates Marcus, possibly impresses him with how determined Bret is to learn to obey. Maybe he's a little flattered as well. Either way, he ends up giving in and finding he is really attracted to Bret bratty-ness and all. These two men are really hot together. They also fall for each other and that adds a level of emotions which makes their scenes even better. Both are slightly unusual, and I think they appreciate that in each other. If you like BDSM stories that will make you smile at least a little, if you enjoy reading about two men who seem to be made for each other, and if youre looking for a sub (and a Dom) who are anything but run-of-the-mill, then you will probably like this story as much as I did. Kurzbeschreibung Experienced dominant Marcus Tremayne has a stalker. On the plus side, the boy following him around his local leather club is gorgeous and a self-professed submissive. Unfortunately, hes also inexperienced, bratty, and liable to drive Marcus insane within his incessant chatter and questions. Bret Daniels fell head over heels with Marcus the moment he first saw him. Hes willing to do whatever it takes to get Marcuss attention and prove his worth as a submissive. He might not be a traditional sub, but he knows he has a lot to offer a dom who can handle his quirks. When Marcus gives in and agrees to do a scene with Bret, sparks fly. One scene quickly becomes another, and another. But will it be a case of once a brat, always a brat? Bret intends to prove to Marcus that expectations and experiences aside he deserves his masters collar. Kurzbeschreibung Experienced dominant Marcus Tremayne has a stalker.
