busting romance. The characters are complete originals, the plot is compelling, and the writing is intelligent. I thoroughly enjoyed this book and I'm looking forward to more Christina Dodd!

Von Kathleen M. Mcelroy
I loved the character David in this book. He is just so real. This book is very different than the usual romance where the hero is so perfect. This man is a normal guy who was the king's champion and now that he's older he has to deal with the fact that he can't beat everyone anymore and he has to use his wits along with his strength. I also very much enjoyed the relationship between him and Alisoun and how he fell in love with her.

But the danger that surprises him most is how quickly his own well-protected heart is falling to a fiery damsel who brings him to his knees. When put to the test, he must make a sacrifice.
