Diary of a newly married Military Couple Von Bianca @BJsBB Bianca ANNE ELIZABETH - ONCE A SEAL 320 pages release date - 05 November - 2013 SEAL Series #2 sexy military romance 3,9 Stars MY THOUGHTS The book starts kind of backwards - with the happy ending - the wedding! After a very short courtship Navy SEAL Dan marries Aria in the Hotel Del Coronado in San Diego. It's a very hectic wedding because Dan had to be flown in via helicopter - as he was on a last-minute mission. Aria hopes that's not a sign that her marriage will be exactly like that. The wedding is very romantic and pretty and Aria and Dan are very much in love and lust. And after a very sexy wedding night - real life starts! "WHEN YOU LOVE A NAVY SEAL - THE ONLY EASY DAY IS YESTERDAY" And real life is not what Aria expected it to be. Dan is gone all the time and she doesn't know where he is and what he's doing. Then her brother gets into trouble. And she doesn't get along with all the military wives in the neighborhood - but then she befriends the wives of Dan's team-mates. We go back in time a few times to see what happened to Dan when he was a kid and how Aria met Dan. Aria didn't have a nice childhood either - her parents died when she was 9 and her brother was just born - and they were raised by their uncle. The whole book is written like the diary of a newly married military couple with all its problems and complications. Maybe a bit like a tell-all - or how-to guide for future military wives. There will be sexy parts - suspensy parts - sad parts - moving parts Will there be a happy end - or will the stressful military life be too much for Aria? Will everybody survive the book? I'm not telling you, of course I don't want to spoil your reading pleasure _____ I WAS SOOOO LOOKING FORWARD TO READING THIS BOOK! Everything that has the word SEAL in it - just give it to me - I will love it! BUT - this book - phew - I don't even know what to say. It's not really a book/novel/romance ... I would call it the diary of a newly married couple with a few nice sex scenes thrown in. There are too many unnecessary details describing things or actions we don't need or want to know about. And when we meet people - we are introduced to ALL of them by first name, last name and rank! Those people don't have anything to do with the story though. Nothing really happens in the book. It's just 'normal' military life. It's more like a reality show in the style of Army Wives or The Unit (and I LOVED those shows!) We have the SEAL who loves his guns and needs to have 30 of them at home!!! - and his new - slightly naive wife - what did she think life would be like, being married to a SEAL??? He will be home every night for dinner and they will have breakfast together at 8am every morning? Yup, probably. This book may be interesting for future or present wives of military guys - but for non-military readers - and especially NON-american readers - this book is not really all that interesting. If it weren't for the sex scenes and the moving stuff that happened - I think I would've stopped reading. And I'm sooooo sorry to say that. I love SEAL stories - I read a million of them - but I just couldn't love this one - I couldn't even love the 2 main characters - Dan is just so - I don't even know what he is - I wanted to love him, but I couldn't. And Aria - I really thought I could like her when the book started. But I couldn't really connect with her either :(I'm soo sorry Anne - I really wanted to love the book - but I only liked it. It wasn't all bad - it was a nice romance - but there was just not enough story in it for me. The second part of the book was better - things started to happen.. that was really so much better I know you're a SEAL-wife - so this all has lots of meaning for you of course - and I totally respect that - but it just wasn't for me :(But it wasn't really as bad as the first half of the book suggested - I was really glad I didn't stop reading. There were some really interesting things in the book - about how a navy SEAL's wife has to cope while he's gone. But it just didn't caught my interest - there was no suspense... only a bit at the end. It would've been better if the whole story about Mark would've been made more interesting in the beginning - I just thought he was her gay best friend. There was nothing that made me say: ooh I can't stop reading - I wanna know what happens! The only thing I wanted to know was - will Dan survive this book or will she kill him off on a mission.. BUT - I did cry a few times - it wasn't all bad. It's really a nice story - just not my thing - the writing style wasn't my thing either... the first 2 sex scenes for example. I have NEVER heard that expression that is used probably my fault - but it sounded so very weird! Oh and another thing - again just my personal taste - the guy on the cover - why does he have to look so mean and un-nice? I would've cut off his head and only left his body on the cover - would've been better. He kind of looks like a russian spy. But - if you like military romances - and you want to know about the hard daily life of a newly married military couple... GO GET IT!

Kurzbeschreibung Book 2 of West Coast Navy SEALs From beloved romance author Anne Elizabeth comes a hot contemporary romance trilogy featuring hunky Navy SEALs and the strong-minded, sexy women who capture their hearts. What woman hasn't dreamed of what it would be like to marry a Navy SEAL? Dan McCullum is everything Aria has ever imagined - sweet, strong, and sexy as hell. She just never expected how tough the SEAL life would be. Dan could be gone at a moment's notice and not allowed to tell her where he's going or when he'll be back. Dan has never backed down from a challenge in his life. But this one is his hardest yet. How does he balance his duty to his country with a soul-deep love for Aria? It's going to require patience, ingenuity, and some of the hottest homecomings he can dream up. Because for him, this isn't a fling: this is forever... West Coast Navy SEALs Series: A SEAL at Heart (Book 1) Once a SEAL (Book 2) A SEAL Forever (Book 3) Praise for Once a SEAL: "Anne Elizabeth writes Navy SEALs from the heart, action-packed, intense and sexy." -New York Times bestselling author Christine Feehan "If

hunky and sweet military men make you swoon this is the book for you!" -RT Book sPressestimmen"Anne Elizabeth writes Navy SEALs from the heart, action-packed, intense and sexy." - #1 New York Times bestseller Christine Feehan "If hunky and sweet military men make you swoon this is the book for you! Anne Elizabeth continues her fantastic SEAL series, and the characters are charming." - RT Book s "It is a realistic insight into the dynamics of a military family and the hardships they face." - Hesperia Loves Books "If you love military romance, this book is definitely a different take on it. Something different in a very saturated, sub-genre. I liked it and I think you will too!" - Deb's Book Bag " Her story held absolute realistic characters and a extremely realistic storyline." - The Reading Cafe "Once A Seal was one of the most enjoyable books I have read this year. " - i'll have another book "Those who enjoy their military romances with a lot of spice and authenticity should definitely give this one a try." - Delighted Reader "For those wanting a realistic sweet romance that shows what life would be like as a SEAL wife, this book is for you. " - Reading in Pajamas "This is another enjoyable story from Anne Elizabeth with a look at SEAL life." - Eye on Romance "I connected with the characters and am looking forward to more from Ms Elizabeth." - Long and Short sKurzbeschreibung Book 2 of West Coast Navy SEALs From beloved romance author Anne Elizabeth comes a hot contemporary romance trilogy featuring hunky Navy SEALs and the strong-minded, sexy women who capture their hearts.
