Von Kalayna Price : Once Bitten: Volume 1 (The Haven Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Once Bitten: Volume 1 (The Haven Series):

Kurzbeschreibung Kita Nekai, on the run and the smallest of her shifter clan--a calico cat among lions and tigers--is being hunted. She was expected to accept her role as her father's successor whether or not her cat was up to the task of leading the clan. She disagreed. Now she's less than a step ahead of the hunters, bone-tired, cold, and living hand-to-mouth in the city of Haven. And that's the high point of her day. She's also drugged, "accidentally" turned into a vampire, and sentenced to death for recklessly creating a rogue shifter who tortures its human prey. She's got seventy-two hours to find the rogue, evade a city full of hunters, prove she's not responsible for the rogue, and keep the vampire council from killing her. All while sorting out an apprentice mage, a married ex-boyfriend shifter-hunter, and the vampire who made her.
