Von Ava Bradley : Once Upon a Christmas Carol (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Once Upon a Christmas Carol (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. True Charles DickensVon Karin BurggrafIm Stil von Charles Dickens und dessen Weihnachtsgeschichte. Trey trifft die drei Geister und seine wahre erste Liebe. Vorhersehbar, aber nett zu lesen und passt zu Weihnachten.

KurzbeschreibungTrey Janssen only wants to settle his late mother's affairs and get back to San Francisco, but he finds himself trapped in the town Christmas literally threw up on when he's arrested for drunk driving--right after a Dickens in the Park actor proclaims he'll be visited by three spirits.The ghost from his past turns out to be Celia Brown, the innocent Girl Next Door he deflowered before leaving town on a football scholarship. Now he's hoping for a repeat or two of that night, because pretty Celia Brown has something all the nameless, faceless, one-night stands of his wild pro-athlete lifestyle didn't--but it will take ghost number two and ghost number three to show him exactly what that something is.Warning: Once Upon a Christmas Carol will make you crave eggnog, sugar cookies, and a kiss from your sweetie under the mistletoe. If you're a fan of Janet Evanovich, Stephanie Bond and Nancy Warren, you won't want to miss Ava Bradley's magical romances set in the mountain town of Welcome, California. The people who live here have a special affinity for Christmas, which might be why they get magical visits from very special characters who touch the lives of those needing a small amount of help during the holidays.KurzbeschreibungTrey Janssen only wants to settle his late mother's affairs and get back to San Francisco, but he finds himself trapped in the town Christmas literally threw up on when he's arrested for drunk driving--right after a Dickens in the Park actor proclaims he'll be visited by three spirits.The ghost from his past turns out to be Celia Brown, the innocent Girl Next Door he deflowered before leaving town on a football scholarship.
