Von Diane Farr : Once Upon A Christmas (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Once Upon A Christmas (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. nice read - but somewhat flat charactersVon Ein KundeAfter loosing all of her immediate family, Celia faces a life of poverty, until her distant cousin, a Duchess, offers to take her in. It turns out that the Duchess plans to marry Celia off to her son, who of course hat other ideas at first, but changes his mind right at the moment when his mother decides she is against the marriage, after all. The hero and heroine are well-developed and likeable characters, but the Duchess

and her three daughters are rather arbitrarily mean, their motivation does not always become clear. All in all, it was an enjoyable read, but not a "keeper".0 von 0 Kunden fanden die folgende Rezension hilfreich. A great Christmas read! Von Customer I bought this book because I wanted a sweet Christmas story. That it's set in the Regency period only made it better for me. I already liked the sample and definitely wasn't disappointed after reading the whole book. :) I won't say anything about the contents, as other reviewers summed the story up already, just that I found the ending a tiny bit dissatisfying. A small epilogue would have been nice, although I don't yet know whether there are more books in this universe. After reading "Once upon a Christmas time" I'll certainly go and find out! This book had me literally laughing out loud (and dissolve into tears on several occasions because the hilarity was too much), something that not many authors achieve! Humour is very hard to write, and for that reason alone the book is a new favourite of mine. Of course, there were also sad moments, and very emotional ones. The main characters, too, were well executed in my opinion, although Jack's younger sisters and father didn't have much play time. (If they did, the book would've been quite a bit longer than it already is, I'd imagine ;)) All in all, I give this story four glowing stars and recommend it to readers who love uplifting, heart-warming Christmas stories, and a good chuckle to boot.0 von 0 Kunden fanden die folgende Rezension hilfreich. Brava! Von Detra Fitch The Duchess of Delacourt was ill. No one but her trusted life-long servant knew. Before Her Grace died, she was determined to see her only son, Jack, wed. She chose Celia Delacourt, a very distant and poor relation who had recently lost her entire family to sickness. The duchess planned to train and mold Celia into the idea of what her son needed. With nowhere else to go, and not knowing Her Grace's plans of her, Celia agreed to Christmas at Delacourt. Jack, the Marquess of Lynden, went home to Delacourt for Christmas every year. Knowing his scheming mother planned to push another fortune hunter at him, he made his appearance as mismatched, rude, and LOUD as possible! Just as he convinced Celia he was mad, he also fell under her spell. The problem was Her Grace, as always.**** Sweet irony! That does describe it well. No adventure or danger here. But I found it to be one of the sweetest and romantic stories I have read. Perfect reading on a cold day during the holiday season while sipping hot chocolate in front of the fireplace!

Kurzbeschreibung After a tragic loss, Celia Delacourt faces a life of loneliness and poverty - until her distant cousin, the Duchess of Arnsford, unexpectedly takes her under her wing. Celia suspects an ulterior motive, but is grateful to spend Christmas with family, however remote the relationship - and despite the daunting grandeur of the ducal palace. Celia has braced herself to face the worst Christmas of her life. But when Jack Delacourt comes home - determined to thwart the schemes of his mother, the duchess - Celia finds a friend and ally. And she begins to wonder ... will this be the worst Christmas of her life? Or the best? *Finalist for the RITA award for Best Regency Romance "Perfect reading on a cold day during the holiday season while sipping hot chocolate in front of the fireplace!" - Huntress Book s Kurzbeschreibung After a tragic loss, Celia Delacourt faces a life of loneliness and poverty - until her distant cousin, the Duchess of Arnsford, unexpectedly takes her under her wing.
