katherine kingsley's "once upon a dream"Von JeanineI've read all of Katherine Kingsley's novels and lately I've been really disappointed with them. I'm not sure what it is about her stories that disappoint me, it's not her writing style, I know. In fact, the language she uses is sophisticated and her plots intricate and well thought out. It's just that I feel the same emotion which compelled her to write "no sweeter heaven" is missing. I suppose that success is hard to live up to

and that previous success puts pressure on the author to live up to these higher expectations. All I know is that with "once upon a dream" I felt that the characters were not as strong as they could be. Lucy Kincaid is a beautiful woman forced to become a menial in her own household. How cliché is that? And then the handsome dashing duke spots the lovely Lucy and falls madly in love with her. How about lust? I know this is a romance novel and the characters are prone to wild fits of passionate emotions. However, I think it is a bit shallow that Raphael would fall in love with a woman he does not know based on her looks. It was after all the vision of Lucy walking near the cliffs which drove him to look for her. Anyway, I didn't mean to be so harsh on this novel, I still enjoy Katherine Kingsley's novels. I just wish that the characters would be more real like they were in "no sweeter heaven." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful retelling of the Cinderella story! Von Claudia Terrones This is the first of Ms. Kingsley's books I have read, and I will be sure to read the others. Her Cinderella story, set amidst the conflict of the English and the Irish, was a very well-done romance. Read it, you will not be disappointed. TITLE: Once upon a Dream AUTHOR: Katherine Kingsley, Katherine Kinglsey CUSTOMER-ID: 2747308 SOURCE: pontmarie EMAIL: pontmarie@yahoo.com DISPLAY-EMAIL: source USER-LOCATION: San Francisco, California TIME: 904146620 RATING: 5 PRIORITY: 2500 SUMMARY: Wonderful retelling of the Cinderella story! Read it, you will not be disappointed. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The first book I read by this author - I wasn't disappointed Von Ein Kunde This was a wonderful Cinderella story - I couldn't put it down. It was refreshing to have a strong female lead. It took so long for them to get together, but well worth the wait. Rafe was intriguing; I liked the fact that he showed his emotions, but still strong and protective. The other characters in the book were great too - funny. I'm also liked the fact that there were few mind games between the lead characters. I thought this book was very well written.

Kurzbeschreibung An Irish beauty and an English nobleman are star-crossed lovers in a fairy tale romance. From bestselling author Katherine Kingsley. An ardent and magical retooling of Cinderella draws the reader in and leaves her holding her breath emotionally compelling and intensely romantic. Romance Forever Lucy Kincaid endures a life of drudgery and loneliness in her stepmother's home, sustained only by her dreams of a better life and a man to share it with. She's sure her wish is coming true when a golden stranger appears on the windswept cliffs of the Irish coast. But Lucy's hopes are shattered when she realizes the man she lost her heart to is the despised Englishman whose family stole her birthright. Raphael Montagu is obsessed with finding the mysterious Irish beauty who captured his heart at first sight. When he discovers fate has delivered her to him at a London ball, he's crushed when she claims to have never seen him before. Even after sharing a kiss and hearing his declaration of undying love, the woman vanishes, leaving no clue as to her identity. Raphael's only hope to find his true love is to return to the remote cliffs of Ireland and unravel the mystery that is keeping him from his heart's desire. Miss Kingsley has woven a delightful tale a sparkling gem. Romantic Times.de Don't miss this re-telling of the Cinderella story set against a backdrop of embittered hatred imposed by the conflict between the Irish and the English. When Raphael Montagu, eighth Duke of Southwell, visits the decrepit Irish estate he has just inherited, he glimpses a beautiful Irish maiden rhapsodizing Byronic verse alone near a cliff side. He falls in love at first sight. Lucy Kincaid, the real heir to the manor, is enraptured by fantasy as he. She prays he will whisk her away from her spiteful stepmother and stepsisters, until he completes her verse and she realizes from his speech that he is English. Never was there a truer conflict!
