Von Jill Gregory, Nora Roberts, Ruth Ryan Langan : Once upon a Dream (Once Upon Series, The) before purchasing it in order to gage whether or not it would be worth my time, and all praised Once upon a Dream (Once Upon Series, The):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. A Wonderful Series of Anthologies!Von Valerie BongardsThis 'Once Upon A...' series of anthologies is one of the best

yet! Magical stories, magical times and magical love. The authors that contribute to these anthologies are some of romances best, and I for one do enjoy them very much. I hope you do to!

Kurzbeschreibung#1 New York Times bestselling author Nora Roberts presents four romantic stories of impossible dreams come true... In Nora Roberts "In Dreams," a beautiful young woman is drawn to a castle in the forests of Ireland and becomes the link to a stranger's past and the curse that has trapped him forever in the eternity of his own dreams. In Jill Gregory's "The Sorcerer's Daughter," the fate of a captive wizard depends on his lovely daughter and the intentions of a spellcast adventurer who dreams of a priceless treasure, and a love that could be the greatest reward of all. In Ruth Ryan Langan's "The Enchantment," two strangers seek refuge in an abandoned estate on a storm-swept night only to discover that their most elusive dreams of romance are as enchanted, and as real, as true love itself. In Marianne Willman's "The Bridge of Sighs," an American art appraiser becomes haunted by dreams of a lonely young girl while visiting Venice a vision that illuminates a tragic past, and a future of endless love. From the Paperback edition... The four ladies who brought us *Once upon a Castle* and *Once upon a Star* are at it again with this latest anthology, *Once upon a Dream*. These stories revolve around the magic and dreams that draw our heroes and heroines together. At best, such as in Ruth Ryan Langan's "The Enchantment," the fantasy elements are naturally integrated into what is a fundamentally strong plot, and they help to emphasize the main romantic dilemma. At worst, the magical dreams start to feel a little bit like a Brigadoon plot device, and distract us from the characters. Even so, *Once upon a Dream* makes a nifty stocking stuffer, or an antidote to a slow weekend. --Nancy R.E. O'Brien.com The four ladies who brought us *Once upon a Castle* and *Once upon a Star* are at it again with this latest anthology, *Once upon a Dream*.
