Von Mia Marlowe : Once Upon a Plaid (Spirit of the Highlands) before purchasing it in order to gage whether or not it would be worth my time, and all praised Once Upon a Plaid (Spirit of the Highlands):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. It nearly

made me cry with the female lead several times ...Von LadySpooksUsually I read Regency Romance and little Highland stuff but I found this one on netgally 20257102and just head to read it.First of all a little about the storyline. Its part 2 in the Spirit of the Highlands saga by Mia Marlowe. I have no clue about book one and I didnt feel like you have to know it when you read book 2 which is what I prefer.Its the touching story of Katherine Kat Douglas and her family. But not only about her family in general, much more about her husband William a handsome looking- laird and her and their problem: she isnt able to bear him an heir.Its winter and she is visiting her Glengarry Castle, where her father lives and her brothers wife and sons. Her sister in law is in her last days before giving birth again and Kat wants to be there for her but also goes through all the pain of giving birth to a dead baby a couple of years ago again.Kat thinks about writing to the Pope to ask for an annulment because she wants William to have an heir, to give his title and everything in the bloodline to somebody. Not a cousin, nephew or other relative. But he wont let her slip away. He does everything in the days around Christmas to make her see that a heir isnt everything to him but she is.But there is also the lovely storyline of Nab, the fool. Its adorable.++Well the book took me longer to read because I am not native English and those Scottish/ Highland dialect speeches werent easy to understand in the beginning and many words werent known by my Kindle dictionary (Pons) nevertheless I made it through the book and really enjoyed reading it.In the last 1/3 I grew a little board about the planning of the attack of Glengarry castle and the attack itself but thats because I am not much into those things.There was a scene, when Kat told William about how she felt when she gave birth to the death baby, Stephan, I grew all sentimental and had to cry with her. It was so emotionally. It happens to me from time to time reading but this scene was so horrible that I really had to give myself some time to recollect myself again and finish the book. And this scene is so very, very important to them.Also the scene between William and Nab at the chapel amazingly written. Very well done.Id give the book 4 of 5 stars.Thanks to netgalley to give me the option to read this book!also: [...]

KurzbeschreibungA wife may be courted, too. . .Many would count Katherine Douglas fortunate indeed. Laird William Douglas is broad-shouldered, gentle-handed, everything a lass could dream. But after four years of marriage, Katherine still knows little of what goes on in his heart. And she has yet to bear him an heir. The distance between them is too great--and so she flees over the snowy highlands to Glengarry Castle, home of her childhood, to set her husband free. But William won't let his wife slip away without a fight. Before long, he's at her father's threshold himself, witness to the rumbles of discontent in Glengarry, the bright joy of Yuletide at a family hearth, and the hidden needs of his own beloved. . .Praise for Mia Marlowe and her novels"I absolutely loved it!" --Victoria Alexander on Touch of a Thief"A wonderful tale for Christmas." --New York Times bestseller Hannah Howell on Plaid Tidings
