**Von Rosary McQuestion : ONCE UPON ANOTHER TIME (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised ONCE UPON ANOTHER TIME (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
wunderschn, traurig, hoffnungsvoll und ein bischen mystischVon FamilienmanagerinEine alleinerziehende Witwe und  
der tragische Verlust ihres Ehemanns, ein Leben, das weitergehen (mu) und auch eine Liebe, die gefunden werden  
will/soll.Ein bischen wie \*Ghost-Nachricht von Sam\* und doch ganz anders. Auf jeden Fall nicht der 08-15

Liebesroman, sondern mehr !

KurzbeschreibungAMAZON BEST SELLER! (Novel Re-edited March 12, 2013)VOTED #1 IN 4 CATEGORIES ON GOODREADS!- Best Indie Books/Authors- Best Unknown Books- Funniest Books You've Ever Read- Paranormal, Fantasy, Dystopia and Romance Writers and ersVoted #4 in Fantasy/Sci-Fi Books with Strong Female CharactersVoted #5 in Brilliant BooksOnce Upon Another Time Goodreads Lists:

<http://www.goodreads.com/list/book/16198381>In Once Upon Another Time, dating for Aubrey was difficult even before her dead husband started haunting her. But when she meets a very handsome man whom she feels could be the next Mr. Right, her life really becomes topsy-turvy. What ers are Saying!~ "Rosary McQuestion tells a beautiful love story that reaches beyond the limits of the heart."~ "The supernatural events involving ghosts, mysticism, and reincarnation are so gripping, I was not surprised to learn that paranormal events in the author's real life prompted her to write this book." ~ "A Delight! Romance and Self-Discovery. At times, the story made me laugh, but there were also poignant moments I had tissues ready. It was an uplifting book!" ~ "Rosary McQuestion wrote a captivating novel. She had me from the first chapter. I could not stop reading it. This novel was interesting, romantic, and vibrant. I will recommend it to everyone I know!" ~ This is a well thought out story and beautifully told.~ Gloriously romantic one of those books every woman should read~ Makes you wonder, think, and want to believe in life's miracles.~ A Paranormal Book about grief that will leave you smiling!Synopsis:Six years ago, when Aubrey McCory was twenty-eight years old, her fairytale dream of living happily-ever-after ended the day her husband died.

Emotionally damaged with an unhealed heart, she sometimes fantasizes about what it would be like to see her husband one last time, like in her favorite movie Ghost when Sam said his final goodbye to Molly. Then five days before the seventh anniversary of his death, a glitch in the universe gives Aubrey the psychic ability to hear what people are thinking. And by all accounts, she seems to also have made a psychic connection with the dearly departed namely her deceased husband. As fate would have it, she also meets hunky Gavin Donnelly whom she feels might be the next Mr. Right and her life becomes topsy-turvy. Her hippy parents, the Abbie and Anita Hoffman of suburbia, have Aubrey questioning her sanity after they leak a secret that Aunt Millie threw herself off the Brooklyn Bridge after hearing voices. Then there's the fiasco of Aubrey trying to hold a connection with the dead when her new psychic ability doesn't come with an instruction manual or tech support. And she can't lean on her best friend, former debutante Laura Wentworth, who inhabits the heady spheres of society, without looking like a kook. Aubrey's life was complicated enough before photos rattled off bookshelves and the sound of wind chimes played in her head. Soon she's juggling a demanding career, a six-year-old son, a freaky spiritualist, and the belief that her husband's spirit is trying to tell her something of great importance. All while she tries to reclaim her heart and not lose the next love of her life.
