Von Ellis Peters : One Corpse Too Many (Chronicles Of Brother Cadfael) before purchasing it in order to gage whether or not it would be worth my time, and all praised One Corpse Too Many (Chronicles Of Brother Cadfael):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. "We deal with what is"Von BernieAs complex as any of the Cadfael series, this one tells the story of how Master Hugh Beringar becomes sheriff. Also as Cadfael states, "By my reckoning there is one corps too many."During the time of the civil war between King Stephen and the Empress Maud, the abbey tales a neutral stance. However Brother Cadfael

is given a new assistant. The young lad is anything but; as he is a she. Naturally Cadfael being a man of the world detects this and must find out why she is hiding. Meanwhile back to the war Shrewsbury Castle is under siege by Stephens's men for being a Maud holdout. When Stephen finally gets the castle he orders the rebel soldiers executed. Cadfael is preparing them for a Christian burial when he counts 95. It is trivial to the king but Cadfael presses that it would not bode well for a king to dismiss a murder under his very nose. Looks like it may have been the work of Hugh Beringar, a man who has appeared to have conveniently changed sides in the war. King Stephen is not unaware of this. This time will Cadfael's tuition, forensics, and logic. Prove the case? Is Hue a villain or will he turn out to be a friend? Cadfael - Monk's Hood 1 von 2 Kunden fanden die folgende Rezension hilfreich. One of the top three Brother Cadfael mysteries. Von M. Palmer This is probably my favorite of the "chronicles." I discovered Brother Cadfael through the series on PBS and went to the books out of curiosity. The books are ever so much better than the television representations, for the richness of history, setting, characterizations, the wealth that Peters can deliver in such "short" books. ONE CORPSE TOO MANY is not only a good mystery but a pleasing adventure, a contest of wit and will between Cadfael and the newcomer Hugh Beringar. Even if you don't generally read mysteries (as I don't), this book and most of the others in the series are true delights. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Reading the book benefits viewers of PBS series. Von James R. Nuttall One Corpse Too Many : The Second Chronicle of Brother Cadfael by Ellis Peters After watching a number of the Brother Cadfael episodes on PBS, I was pleased to learn that the series was based upon the books written by Ellis Peters. One Corpse Too Many is my first adventure into the written version. As in most cases the written version is much richer and even more entertaining than the television version. As I read the book, I cannot but help hear Derek Jacobi's voice as Brother Cadfael. The written format adds much to character development, especially of secondary characters. Ellis Peters also helps us with the very interesting historical facts surrounding these exceptional episodes of our beloved Brother Cadfael.

Kurzbeschreibung In the Summer of 1138, war between King Stephen and the Empress Maud takes Brother Cadfael from the quiet world of his garden to the bloody battlefield. Pressestimmen "Gripping and knowledgeable" - THE SPECTATOR Werbetext Brother Cadfael's abilities are tested to the limit in this reissue of the second Cadfael chronicle.
