Von Mark Richard Zubro : One Dead Drag Queen: A Tom Scott Mystery (Tom Scott Mysteries) before purchasing it in order to gage whether or not it would be worth my time, and all praised One Dead Drag Queen: A Tom Scott Mystery (Tom Scott Mysteries):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good read and likeable charactersVon Ein KundeThey have been a happily married, faithful couple for years. Scott Carpenter is a well-known professional baseball pitcher while his spouse Tom Mason is an English teacher. They hid their sexual preference and their relationship out of fear for their careers, especially the athletic Scott. However, unable

to hide any longer, they reveal their relationship to the world and to their sock and joy, most everyone supports them. Tom and Scott begin to openly support gay rights, but soon become symbols and targets of the opponents. Things begin to turn ugly forcing Scott to hire bodyguards. Scott assumed that he, being the more public figure, would be the target if tragedy struck. Instead, while Tom is at the Human Services Clinic, a series of bombs go off destroying a whole block, killing many people. Tom is lucky to survive, but is badly injured. Scott wonders if Tom ultimately was the target. He begins his own investigation that will lead to a dangerous person with a deadly goal who will do anything to attain it. ONE DEAD DRAG QUEEN is as much a relationship drama as it is an amateur sleuth mystery. The tale stars two heroic, realistic males trying to make the world a better place. Mark Richard Zubro has written a mystery inside the mystery. The technique can slow down a story line, but works extremely well in this plot because the author never loses sight of the main theme and ties the subplot back to it. By providing color and insight, the secondary characters are vital to the beat of the tale and lead to a special treat for readers. A Shift in Focus Von Daryn Malof I liked the idea that Zubro shifted the focus of this novel from Tom, ex-marine superman, to Scott, the "sidekick". Unfortunately the plot in which Zubro involves Scott on his first outing (no pun intended) is rather weak when compared to previous novels ("Why Isn't Becky Twitchell Dead?" is one of my favorites). A good read for fans of the series, but it needed more meat. I am not sure if the subject (the bombing) was thought to be too sensitive for a real murder mystery; if that was the advice given to Zubro, he shouldn't have heeded it, because it provides a sub-par novel.

Kurzbeschreibung A series of three bombs destroy a local health clinic, killing many and injuring many others including high school teacher and clinic volunteer Tom Mason. While Tom is hospitalized, his lover, professional baseball player Scott Carpenter, begins to believe that Tom may have been the intended victim of the bombing - the third bomb was wired to Tom's truck and Scott is receiving threatening letters saying that he's next. With a long suspect list and a mounting death toll, Scott must find the killer before the killer finds them. Kurzbeschreibung A series of three bombs destroy a local health clinic, killing many and injuring many others including high school teacher and clinic volunteer Tom Mason. While Tom is hospitalized, his lover, professional baseball player Scott Carpenter, begins to believe that Tom may have been the intended victim of the bombing - the third bomb was wired to Tom's truck and Scott is receiving threatening letters saying that he's next. With a long suspect list and a mounting death toll, Scott must find the killer before the killer finds them. Synopsis A Health Clinic Bombing May be the Beginning of an Elaborate Murder Plan; When a local health clinic is bombed, several people are killed and many others are injured, including high school teacher and clinic volunteer Tom Mason. While Tom recuperates in the hospital, his lover, baseball player Scott Carpenter, comes to suspect that Tom may have been the intended victim of the bombing. As the death toll mounts and Scott starts receiving threatening letters, he and Tom realise that they must find the killer before the killer finds them...
