Von Cheryl Bolen : One Golden Ring before purchasing it in order to gage whether or not it would be worth my time, and all praised One Golden Ring:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.

Dreamy! Von Detra Fitch Lady Fiona Hollingsworth needs twenty-five thousand pounds quickly to free her brother, Randy, who has been abducted by Spanish bandits in The Peninsula. However, the family fortune is depleted. When she sees Mr. Nicholas "Nick" Birmingham, the richest stockbroker in England, she gets an idea. The very next day, Fiona goes to Nick's office and offers to marry him in exchange for his help. It is fairly well known that Nick's deceased father had always hoped his son would make an aristocratic match. Even though Nick does not believe himself worthy of Fiona, he agrees. It does not take the pair long to fall totally in love with each other. Lord Edward Warwick, the Foreign Secretary, had grown up unofficially betrothed to Fiona. Yet last year he jilted Fiona to marry another, Countess Maggie. The Crown needs the help of Nick, his brother (William), and his money. Edward goes to Nick, hoping Nick's patriotism will force his agreement. It does, but only because William has experience in stealthy dealings. If not for his loyalty to his country, Nick would have refused. Nick could not help being jealous that Fiona had once loved Edward for so long. Fiona has truly gotten over Edward. She is deeply in love with Nick. She is even growing to adore Nick's illegitimate, eight-year-old daughter, Emmie. But she is jealous that Nick keeps disappearing at night and fears he is going to another woman. In addition to this, it is no secret that Randy frowns upon Fiona marrying so beneath their station. Yet Randy may soon be forced to eat crow. ***** You say that you want dreamy romance? Then pick up a copy of "One Golden Ring". This has got to be the most PERFECT Regency Romance that I have read this year. I actually found myself envying Fiona. You will not find any stupid characters that you will want to strangle. These characters are intelligent and realistic. I have high hopes that a couple of the secondary characters will get their own stories told someday soon. ***** Reviewed by Detra Fitch of Huntress Reviews. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Too flat Von Cassandra I thought it was a nice story but way too flat. The characters seemed one-dimensional, there was no really interesting or gripping dialogue and the whole story went way too smooth. The problems the lead couple had could have been solved with a single honest talk. They're both suspecting the other of being unfaithful without even a hint of proof, but are both too much a coward to find out or confront the other. They're rather feeling miserable through half of the book. I really wanted to smack them up the head a time or two. The love scenes were okay but not nearly good (or sizzling) enough to buy the book just because of them. The happy end - when all the problems were solved in the span of a few pages - felt totally rushed to me and was so sugary sweet I had to roll my eyes. Still, if you like your romances sweet and easy this might be a nice read for you.

Kurzbeschreibung 2006 Best Historical - Holt Medallion To get the money to ransom her brother, lovely Lady Fiona Hollingsworth offers herself in marriage to the richest man in England, Nicholas Birmingham, a broodingly handsome stockbroker. Nick fully understands what's behind Fiona's brazen proposal, yet he cannot turn away the alluring lady who's haunted his fantasies for so long. Of course, a man has his pride, and Nicholas has no intention of revealing to his new bride how he feels. Yet from the moment he slips his ring on Fiona's finger, desire and chaos are kindled. Now it's only a matter of time before the magic of the Christmas season brings true love to light. "Who can resist a marriage of convenience between a couple who have nothing in common--but passion! ONE GOLDEN RING is an irresistible pleasure." - Eloisa James, NY Times Best Selling Author "This has got to be the most perfect Regency romance I have read this year." - Huntress s "A marriage of convenience turns passionate in Bolen's latest sinfully sexy Regency, which the author skillfully wraps up in a nice bit of Christmas cheer." - John Charles, Booklist "Totally delightful, beautifully sensual, and endearingly romantic love story." - Romance Designs Kurzbeschreibung 2006 Best Historical - Holt Medallion To get the money to ransom her brother, lovely Lady Fiona Hollingsworth offers herself in marriage to the richest man in England, Nicholas Birmingham, a broodingly handsome stockbroker.
